

POST GRADUATE GOVT COLLEGE SECTOR-11, CHANDIGARH ENVIRONMENT AWARENESS SOCIETY ACTIVITIES 2019-2020

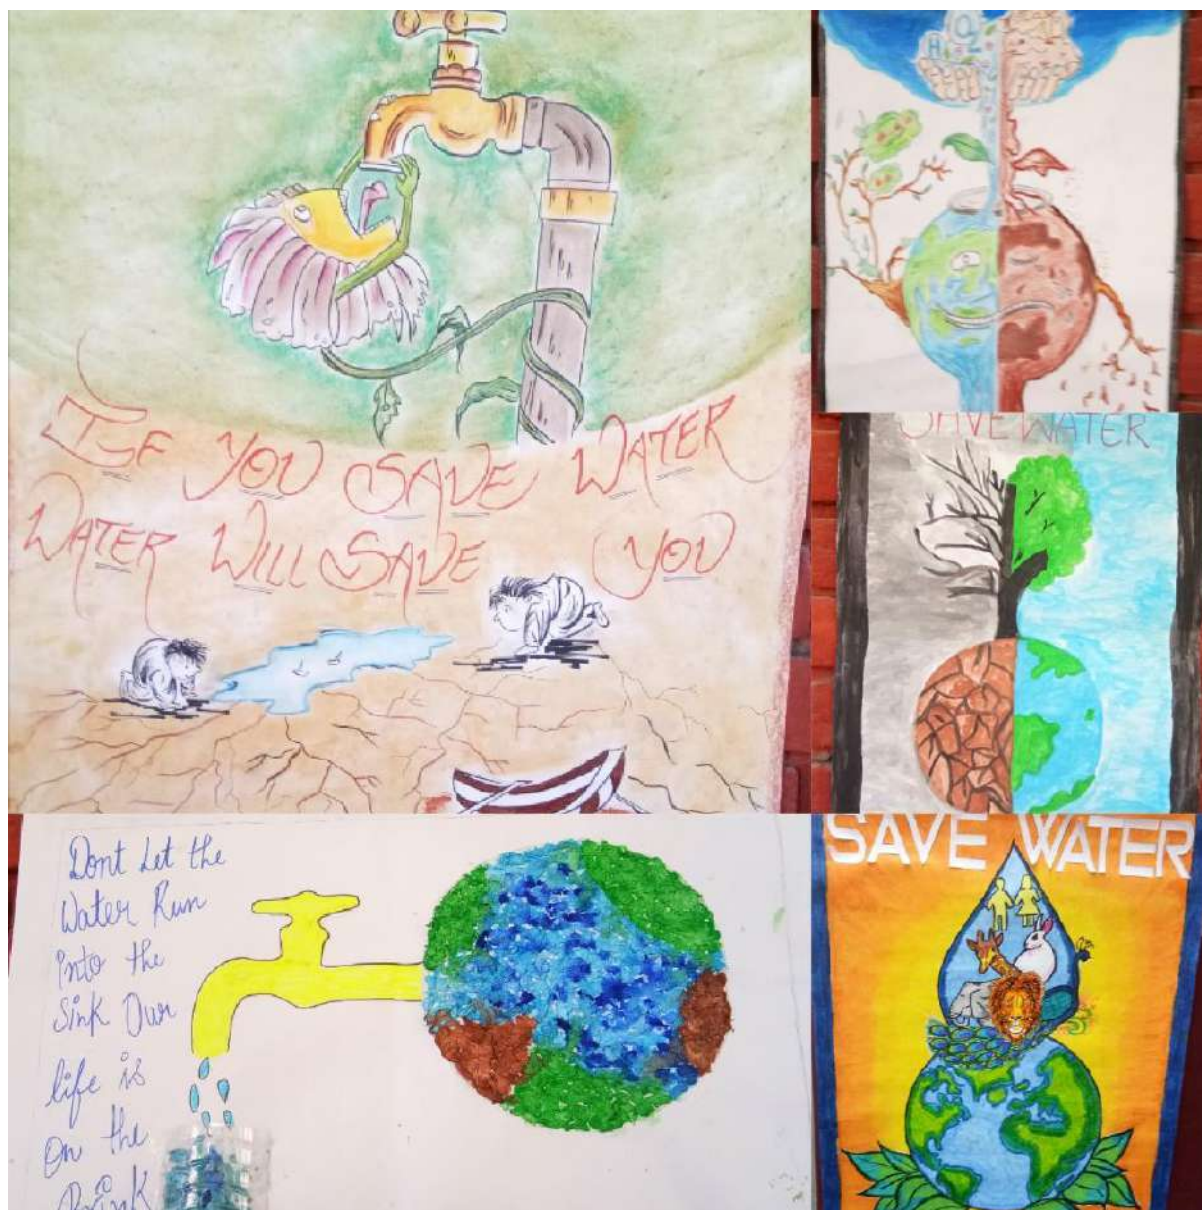

The Dainik Jaagran in collaboration with NSS of the College and the Department of Botany and Environment Studies have organised **tree plantation** in Post Graduate Government College, Sector-11, Chandigarh on **22nd July 2019**. Saplings are planted by the UT Advisor, Chandigarh, Education Secretary, DHE and Principal of the College. Around 150 saplings are planted in the college campus by the NSS volunteers and students.

Various inter-college competitions were held in the college which was sponsored by CREST, Department of Environment, Chandigarh Administration to mark the **Akshay Urja Diwas** on **21st August 2019**. Principal Rama Arora emphasised on the need to conserve renewable sources of energy for a sustainable future.

Poster making competition was organised on **18th September 2019**, to mark the importance of water on the theme “**Save Water Save Life**” in the department of Botany.

Aiming to spread awareness about firecrackers causing noise and air pollution, health hazards to humans and animals, the students and staff members of Post Graduate Government College, Sector-11, Chandigarh took out an **Anti Cracker Rally** on **25th October 2019**, in and around the college campus. A strong message was sent to the masses on minimizing the use of crackers as the air quality of Chandigarh was worsening the health of people and the harmful effects of crackers were brought to the fore front by the enthusiastic students. Students carried colourful placards, posters and shouted slogans to ban crackers this Diwali

and celebrate with sweets and gifts. **Principal, Dean and Vice-Principal of the college also distributed earthen divas decorated by the students to class IV employees of the college.**

The aim of the rally was to spread awareness to celebrate a green and clean Diwali instead of a night of gloom and despair. The principal of our college Prof. (Dr.) Rama Arora encouraged the students about ill effects of cracker and other pollution devices and requested the students to celebrate clean and green diwali.

Workshop on “**Segregation of Waste and Say no to plastics**” was organised on **15th November 2019**, for all the Class III and Class IV employees of the college. This workshop aimed to make them aware the about the waste segregation and its applications and the harmful effects of single use plastics.

National Science Day was celebrated on 28th February, 2020, which is sponsored by CREST, Chandigarh Administration. Our students participated in model display on the theme “Women in Science”.
