

DEPARTMENT OF ECONOMICS
Department Activities Report: 2020-21

The Department of Economics has undertaken an activity of Power Point Presentations on the topic, “Emerging Problems of Indian Economy” in April, 2020 to encourage the students for structuring the presentations in a professional manner.

The Department has conducted an Online Slogan competition on 14th August, 2020 for the students on the following topics, Digitalisation in India, Role of India in changing Global World Order and Environment vs. Growth. The activity was undertaken as a mark to celebrate our freedom and reignite patriotism and love towards our country.

The Department has conducted an online competition of Essay Writing in May, 2020 on the topic “Impact of Covid19 on Indian Economy”

The Department has organised Power Point Presentations by students through Google Meet on the topic, “Problem of Unemployment of Migrated workers in India” on 18th January, 2021. It was an effort to motivate the students to come up with innovative ideas which could contribute a step towards policy making.
