

The Geographical Society of our esteemed college had organized a poster making competition to celebrate the Wetland Day on 2nd Feb 2021. The theme of the competition was '**Wetland and Water**'

It was our privilege to have a proficient and distinguished panel of judges who did a very difficult job of selecting the first, second and third positions out of the various entries which came for the competition and gave a testimonial of the student's zeal.

Three posters were selected for first, second and third position. Below given is the result regarding the same.

First Position-Priyanka Mishra BA (third year)

Second Position-Vivek Rawat BA (first year)

Third Position -Tanya BA (first year)

I am hereby enclosing all the entries which came for the above mentioned competition.

Warm Regards
