ABOUT THE COLLEGE

Post Graduate Government College, Sector 11, Chandigarh is as old and as young as the City Beautiful. The college was established on May 26, 1953, in the building now housing the Mountview Hotel. Later it shifted to the premises of Government Model Senior Secondary School in Sector 11. It moved finally to its present building in Sector 11 on October 13, 1960. Since its inception, it has witnessed a steady growth in its infrastructure and enrolment. The college was envisaged as a leading institution having its own distinct impress on the educational and cultural map of the 'City Beautiful'. Being the first college in the city, it has proved itself eminently worthy of its role as a torch-bearer in the whole gamut of broad-based instruction. The college aims at providing congenial atmosphere and constructive channels for its young scholars for the fullest development of their multi-dimensional personalities. It has always been our earnest endeavour to direct the collective efforts towards the inculcation of intellectual brilliance, moral uprightness, and ethical awareness, so as to shake young boys and girls into responsive and responsible members of society. "Higher and Still Higher" is the motto of the college. COMMITTEE

About the Webinar

"Rather than fearing or ignoring cyber-attacks, do ensure your cyber resilience to them."

— **Stephane Nappo**

The National Webinar on "Awareness on Cyber Crime and Document Frauds" will focus to alert the people about the different types and issues of Cyber Crimes and Document Frauds in India and their prevention tips. Cyber Crime and Documents frauds are one of the most challenging issues at present time. The other main aim of the webinar is to create awareness among the students, academicians, professionals and others about laws to prevent cyber-crime and document frauds in India.
