OSD

Over Seas Deployment (OSD) is a great opportunity for NCC naval cadets to visit foreign countries onboard Navy or Coast Guard ships. Ships mostly visit 3 to 4 ports in various countries in the Indian Ocean Region and participate in various exercise with other navies. Cadets will be attached for the entire duration of the sailing on board ships. Generally duration of OSD lasts 4 to 6 weeks depend upon ports they visit. Ships stay at each port 3 to 4 days.

During the stay at foreign ports they will get opportunity to visit historical places, interact with members of their armed forces and participate in games with their teams. Selection for OSD depend upon their performance during NCC. Around 12 cadets are nominated in the final list which is prepared by DGNCC. Unlike YEP only naval NCC cadets get opportunity for OSD. *Cadet Kartik* got this very prestigious opportunity to be a part of OSD Contingent 2022.
