PRINCIPAL'S MESSAGE

Dear Students, Parents, and Esteemed Visitors,

It gives me immense pleasure to welcome you to our college a vibrant centre of learning nestled in the heart of the City Beautiful, Chandigarh. With its serene ambience, modern infrastructure rooted in architectural heritage, and an academic spirit that combines tradition with innovation, our institution stands as a proud beacon of excellence and holistic education.

Founded with a vision to nurture intellect and character, our college is housed within an iconic structure that reflects the modernist legacy of Chandigarh a city envisioned by Le Corbusier and celebrated for its aesthetic order and progressive spirit. The campus is more than just brick and mortar; it is a living testament to the city's planning ethos, a seamless blend of functionality and beauty that inspires creativity, learning, and reflection. Walking through our corridors is like traversing history, where every wall and window speaks of the generations that have come through, learned, grown, and left a mark on the world.

Our alumni, who form the backbone of our global reputation, are our greatest pride. They are trailblazers, educators, entrepreneurs, artists, scientists, and leaders who have carried the values instilled here to every corner of the world. Their achievements speak volumes of the education they received and the values they imbibed a legacy they continue to uphold and generously contribute to, strengthening the institution's foundation and growth.

What truly distinguishes our college is the spirit of service and empathy that we strive to instil in every student. Our students actively engage in a wide array of community service projects -from literacy drives and environmental initiatives to health camps and social awareness campaigns. At the heart of our philosophy lies a firm belief in capacity building and skill development. We recognize that each student is unique, with diverse talents and aspirations. Through a dynamic curriculum, dedicated faculty, state-of-the-art facilities, and a plethora of co-curricular activities, we strive to ensure that every learner is equipped with the knowledge, skills, and confidence to navigate the challenges of an ever-evolving world.

As you explore the pages of this prospectus, I invite you to discover not just an institution, but a community committed to excellence, inclusivity, and transformation. Here, education is not confined to classrooms; it is an experience that shapes minds and builds futures.

With best wishes,

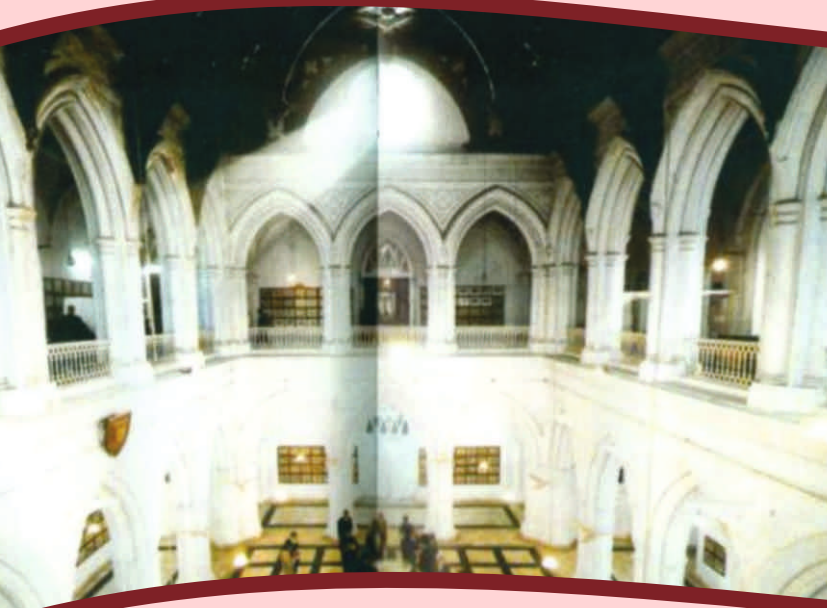

Prof. J.K. Sehgal
Principal

HISTORICAL JOURNEY OF THE COLLEGE

The wonderful history of the college can be traced all the way back to 1864, when the Government College of Lahore was set up in pre-independence India. Affiliated with Calcutta University, Government College, Lahore was a prominent centre of learning in North India. After independence in 1947 the college was re-established in East Punjab, first at Ludhiana and then later at Chandigarh on 26th May, 1953.

Hotel Mountview in Sector 10, Chandigarh served as the first location of the college. It was later shifted to the building of Higher Secondary School in Sector 23. It shifted to its current building in Sector-11 on the 13th of October, 1960. This iconic building for the college was designed by the renowned architect Edwin Maxwell Fry and is now recognised as a prominent heritage building in Chandigarh.

ABOUT THE COLLEGE

Established in 1953, Postgraduate Government College, Sector 11, Chandigarh, stands as the city's oldest and most prestigious institution. Often hailed as the "Heart of the City Beautiful," the college boasts a proud legacy of 72 years. Designed by renowned architect Edwin Maxwell Fry, the iconic college building has earned heritage recognition from the Chandigarh Administration. Spread across 43.5 acres of lush greenery, the campus is a serene, inspiring space ideal for academic and personal growth. The college prides itself on a robust academic system, supported by a dedicated and research-driven faculty that strives to deliver a holistic education. The library is the intellectual hub of the campus, offering access to a vast range of academic disciplines. It houses over 1,09,731 books, rare collections, and a braille section for visually impaired students. Digital resources and global academic access are also integral to the learning experience. PGGC-11 integrates eco-conscious practices into education through its botanical, herbal, and cosmic gardens, promoting ecological awareness and sustainability. With 26 smart classrooms, ICT-equipped facilities, and modern science and art labs, the college embraces interactive, tech-enabled learning. Seamless high-speed Wi-Fi across the campus ensures uninterrupted connectivity for students and faculty, supporting learning, research, and collaboration. The college offers a vibrant student life with numerous academic and extracurricular opportunities. Students participate in drama, debates, quizzes, dance, and more, showcasing their talents through societies like the Literary Society, Drama Club, Debate Club, Film Club, Electoral and Financial Literacy Clubs, and Entrepreneurship Development Cell. Other active groups include the Best out of Waste Society, Heritage Society, Gender Equity Society, Anti-Discrimination Cell, Stress Management Cell, and Drug De-Addiction Society—each enriching campus life. A hallmark of PGGC-11 is its exceptional sports infrastructure, including the largest sports pavilion among Chandigarh colleges. With a seating capacity of 400, it is the only college in the region to feature a 400-meter cinder track. Facilities also include a synthetic badminton court, tennis and basketball courts, football ground, and a fully fenced, modern swimming pool with separate changing rooms for boys and girls. The college provides hostel facilities for 424 boys and 380 girls, fostering a vibrant and supportive residential community. On-campus amenities include an SBI Bank branch for convenient banking and a hygienic, affordable canteen and food court offering a variety of energizing meal options. A well-organized parking area adds further convenience by ensuring safe and hassle-free vehicle access for students.

VISION

**Transform one life
Transform the Nation**

MISSION

The motto of the Post Graduate Government College, Sector-11 “Higher and Still Higher” underlines our mission of learning in and outside of the classroom.

The Institute is committed to creating an equal and an equitable society.

AIMS

To -

- ▶ make quality education accessible to all.
- ▶ inculcate team spirit and instill a sense of discipline and responsibility.
- ▶ sensitize students towards social concerns, gender issues, caste issues, challenges pertinent to differently-abled people and economically weaker sections of the society.
- ▶ promote civic-ecological practices on campus and beyond for a sustainable relationship between the human community and nature.
- ▶ encourage innovative ideas, concepts and debates in the student fraternity.
- ▶ give expression to their multifaceted talents.
- ▶ prepare the students to face the realities and challenges of the world.

The college has three hostels:

- Main Hostel (on campus) - Boys
- General Hostel (off campus) - Boys
- New Hostel (on campus) - Girls

Our college provides three well-maintained and secure hostel facilities: one for girls and two for boys, located both on and off campus. These hostels are designed to offer a safe, comfortable, and supportive environment that fosters academic success and personal development.

The hostel experience is more than just accommodation-it's a place where students live, learn, and grow together in a nurturing, community-oriented setting. Hostel life encourages independence, community involvement, and a sense of belonging, helping students thrive during their time on campus.

Key Features:

- Separate hostel accommodations for male and female students.
- Occupancy options: single, double, and triple rooms equipped with beds, study tables, chairs, and wardrobes.
- CCTV surveillance and dedicated wardens for security and discipline.
- Hygienic, vegetarian meals served in a spacious dining area.
- High-speed internet access across all hostel premises.
- Common rooms with TVs, indoor games and access to outdoor sports facilities.
- On-call medical support and tie-ups with nearby hospitals for emergencies.
- Regular housekeeping and maintenance of washrooms, corridor and shared spaces.

Life in the hostel is vibrant and enriching, offering students many opportunities for personal growth beyond academics. Initiatives like the Tree Plantation Drive promote environmental responsibility, while programs such as the CPFBI Certificate Course equip students with finance and life skills. Annual events like Sports Meet encourage teamwork, fitness, and mental wellness. Additional workshops on hygiene, grooming, and personal development help students lead informed and responsible lives.

NATIONAL CADET CORPS (NCC) : 2024-25

PGGC-11 affectionately referred to as the Pride of City Beautiful, is the only college in Chandigarh that offers training in all three NCC wings: the Army Wing, the Air Wing, and the Naval Wing. Upholding the college motto "Higher and Still Higher" and the NCC's guiding principle of "Unity and Discipline," our institution is a beacon of inspiration, preparing generations of young men and women to serve the nation with honour and integrity.

The NCC at PGGC-11 is more than just a program; it is a transformative journey that fosters discipline, character, patriotism, secularism, selfless service, courage, camaraderie, and leadership among youth. Through rigorous training and a spirit of dedication, our cadets develop into responsible citizens and potential future leaders of the Indian Armed Forces and Paramilitary Services.

Over the years, our Army, Air, and Naval wings have achieved remarkable success, earning numerous state and national accolades. Prestigious honours, such as the Best Cadet Trophy awarded during the Republic Day Parade and participation in the Prestigious Youth Exchange Program (YEP), attest to the dedication and excellence of our cadets.

Our NCC cadets participate in exciting adventure activities such as mountaineering, trekking, parasailing, scuba diving, kayaking, and much more. These experiences go beyond physical endurance; they serve as valuable life lessons in courage, leadership, and teamwork. Outstanding cadets are selected to take part in advanced expeditions and camps, where they refine their skills to the highest standards.

Air Wing Achievements:

Cadet Nikita has been selected as a delegate to Russia for YEP 2025, proudly representing the spirit of “Touch the Sky with Glory.” She was also recognized as the All India Best Air Cadet (SW) – 4th Position at RDC 2025, a proud achievement for PGGC-11. Under the exemplary mentorship of Dr. Rakesh Thakur, cadets like C/SGT Nitish, C/SGT Sneha Raju, CUO Mohit Pandey, and others showcased excellence at the All India Vayu Sainik Camp, Bengaluru, participating in prestigious events such as skeet firing, drill competitions, and microlight flying.

Army Wing Achievements:

SUO Kamit Kumar had the rare honour of commanding the Guard of Honour presented to the Defence Minister of India at RDC 2025. CPL Karan Kumar, UO Kartik Bisht (Gold Medalist in Judging Distance and Field Signals at TSC 2024), UO Himanshu, and CPL Soshimla brought glory through their performance in various tactical and physical competitions at the All India Thal Sainik Camp.

Naval Wing Achievements:

Cadet Tamanna Rathore ranked 3rd All India in the Best Cadet category at RDC 2025. Cadet Kulwinder achieved 4th All India Rank in Yachting Regatta at INS Chilka. Cadet Sahil participated in the Special Sailing Expedition in Prayagraj, showing valour and commitment. Our cadets earned the Overall Best Institution Trophy in CATC 2024, and our ANO, Sub Lt. Madan Lal, was honoured with the Meritorious Service Award by ADG PHHP&C for his exceptional service and leadership.

The NCC contingent of PGGC-11 also proudly marched in the Republic Day Parade at Sector 17, Parade Ground, Chandigarh — a moment of immense pride and national honour.

PGGC-11 continues to inspire its new entrants to join the NCC and carry forward this legacy of service, excellence, and patriotism.

Jai Hind! Vande Mataram!

Let us rise higher and serve our motherland with unwavering pride and dedication.

"Not Me But You"

The National Service Scheme (NSS), launched in 1969 under the Ministry of Youth Affairs & Sports, Government of India, is a transformative platform aimed at instilling a sense of social responsibility, service, and civic engagement among the youth. At Post Graduate Government College, Sector-11, Chandigarh, NSS is a vibrant part of student life, with five active units comprising 500 dedicated volunteers, all funded and supported by the Ministry of Youth Affairs and Sports. Under the dynamic leadership of the NSS Programme Officers, our volunteers consistently contribute to the welfare of the community through wide-ranging initiatives that span social service, health awareness, environmental conservation, digital literacy, and nation-building activities.

Community Projects

Through NSS, PGGC-11 fosters a culture of compassion, leadership, and responsibility, shaping young volunteers into active, aware, and empathetic citizens of tomorrow. Our NSS volunteers are actively involved in several flagship community projects, such as:

- **Project SARATHI** – In collaboration with PGIMER, Chandigarh, providing emotional and logistical support to patients and their families.
- **Project JAAGRUKTA** – A Digital Literacy Campaign initiated by Tarun Garcha is aligned with the Digital India mission.
- **Project SHAKTI** – Focused on menstrual health awareness and gender sensitization initiated by Tarun Garcha.
- **Plastic-Free Initiative** – A project spearheaded by Tarun Garcha, promoting environmental awareness through anti-plastic drives.
- **100-Day TB Awareness Campaign** – In partnership with the State TB Cell, GMSH-16, Chandigarh, awareness promoted through street plays, rallies, and outreach programs.

PROJECT SARATHI, PGIMER (NSS) : 2024-25

Project SARATHI is a remarkable community service initiative by NSS Units of Post Graduate Government College, Sector-11 Chandigarh, in association with PGIMER Chandigarh. Under the guidance of Dr. Divya Monga (NSS Programme Officer and Convener) and Dr. Monika Dara (NSS PO), the NSS volunteers have tirelessly served at PGIMER from July 1, 2024, to April 19, 2025. Since its inception, approximately 275 dedicated NSS volunteers have contributed their time and effort to assist patients, visitors, and hospital staff at PGIMER. Their responsibilities include queue management, wheelchair and stretcher assistance, psycho-social support, and logistical aid. Volunteers have also gone beyond routine duties—organizing blood donations, ensuring a calm hospital environment, and offering care to underprivileged and special-needs individuals through emotional support and companionship. Recognized for its impactful contribution, Project SARATHI has earned accolades from eminent dignitaries, including Dr. Mansukh Mandaviya, Union Minister for Youth Affairs and Sports; Smt. Meeta Rajivlochan, Secretary MoYAS, GoI and Dr. Vivek Lal, Director PGIMER. Adhering to the guiding principle of “Seva se Seekhein,” Project SARATHI proudly completed its 14th batch, having made a significant impact in the healthcare sector. Special recognition was extended to exceptional NSS volunteers viz. Ms. Mansi Sharma, Ms. Rajanpreet Kaur, Mr. Tarun Garcha, and Ms. Tanisha Sharma for their outstanding dedication and contributions, embodying the initiative’s core values of service and commitment.

VICTORY AGAINST DRUG ABUSE (VADA) CLUB : 2024-25

The VADA Club at Post Graduate Government College, Sector 11, Chandigarh, is a proactive initiative dedicated to promoting awareness and prevention of substance abuse among youth. Established under the Nasha Mukt Bharat Abhiyan (NMBA) by the Department of Higher Education, Chandigarh and the Department of Social Welfare, Women and Child Development, Chandigarh, the club plays a pivotal role in promoting a drug-free and health-conscious academic environment. The club conducts a variety of engaging activities, including: awareness drives, walkathons, rallies, and nukkad nataks to educate students about the harmful effects of drug use.

- Expert Sessions: lectures and discussions with medical professionals, psychologists, and law enforcement officials to provide insights into the consequences of substance abuse.
- Pledge-Taking Ceremonies: regular events under the theme "Say No to Drugs, Yes to Life" to reinforce students' commitment to a drug-free lifestyle.
- Inter-College Competitions such as debates, poster-making, slogan writing and essay writing are regularly organized to encourage students to express their views and creativity on substance abuse prevention.

The VADA Club's initiatives are fully aligned with the Chandigarh Administration's vision of designating higher education institutions as drug-free campuses. All activities are executed in accordance with Standard Operating Procedures (SOPs) and Institutional Compliance Checklists, ensuring a structured and sustainable approach. Through its sustained efforts, the VADA Club empowers students to make informed and responsible choices, thereby nurturing a culture of prevention, resilience, and well-being. By instilling values of healthy living and zero tolerance towards substance abuse, the VADA Club at PGGC-11 significantly contributes to the collective mission of building drug-free academic institution and a healthier society.

ELECTORAL LITERACY CLUB : 2024-25

No Voter to be Left Behind

The Electoral Literacy Club (ELC) was established on campus in 2018 as part of the Election Commission of India's Systematic Voters' Education and Electoral Participation (SVEEP) programme. Its primary aim is to promote awareness about voter registration and the electoral process through experiential learning. The club facilitates familiarization with Electronic Voting Machines (EVMs) and Voter Verifiable Paper Audit Trails (VVPATs), educating participants about their reliability and the integrity of the electoral

system. It also strives to instill an understanding of the importance of every vote, encourages electoral participation, assists eligible but unregistered members in enrolling as voters, and empowers ELC members to spread electoral literacy within their communities.

The Department of Political Science, as the Nodal Office of the Electoral Literacy Club (ELC) in PGGC-11 has been promoting electoral awareness since its inception through engaging, non-partisan activities. With

members from all semesters, the ELC focuses on first-time voters, educating them on themes like democracy, ethical voting, EVM/VVPAT integrity, and informed electoral choices. The club conducts various events year-round—street plays, art and poster contests, film

screenings, quizzes, debates, and voter registration drives. Membership is open at the start of each academic year and continues through graduation, with a strong emphasis on inclusivity, especially for students with disabilities.

An Initiative of Ministry of Education

The Institute Innovation Cell (IIC) at PGGC-11 has been established to systematically cultivate a culture of innovation and foster a dynamic startup ecosystem within the educational framework. Its mission is to encourage and support the creation and growth of both technology-driven and non-technology-based startups. Through this mission, the IIC aims to generate employment opportunities, enhance graduate employability, strengthen the region's economic health, and address the evolving needs of society and industry across Chandigarh and its neighboring states.

Aligned with the Government of India's Atmanirbhar Bharat initiative, PGGC-11 is dedicated to building a self-reliant nation by promoting entrepreneurial ventures. This commitment is pursued through well-structured policies, strategic investments, and a supportive environment that nurtures innovative young minds and addresses key thrust areas for national development.

Objectives

- To organize skill development and capacity building programmes for young minds.
- To provide hands-on training to students so as to bridge the gap between academia and industry.
- To call on the innovative and business ideas from faculty and students.
- To transform the innovative ideas into small start-ups.

List of Activities:

- IIC, in association with Global Youth Federation, India, celebrated International Youth Day on 9th August, 2024.
- IIC organized mentoring session on lean startups and minimum Viable Product/Business on 30th August, 2024. On this occasion Mr. Sanjay Aggarwal from TG- Talent Gro guided and motivated students towards lean startups which require minimum resources and flexibility in approach.
- IIC celebrated National Entrepreneurship Day, on 9th November, 2024. The program consisted of speeches, interactive sessions, and fun activities designed to engage students in the spirit of entrepreneurship.
- IIC organized a workshop on 21st January, 2025 in the college auditorium on the topic "Global Career Opportunities. Through Skill Route: Empowering Students for the Future Problem Solving and Ideation". Dr. Sandeep Singh Kaura, Advisor NSDC [International] in his motivating address exhorted the youth to work in a dedicated manner so as to realize the dream of our PM Narendra Modi ji which reaffirms the government's commitment to provide globally relevant skills training for India's youth.
- IIC in association with Regional Centre for Entrepreneurship Development (RCED), organised a two day workshop on "Entrepreneurship Development Programme" (EDP) on 30th and 31st January, 2025. S.Satwinder Singh, Sh. Joginder Kumar Bhutani, Retd. AGM, SBI and S. Paramjit Singh from RCED shared ideas and various schemes recently launched by Govt. of India for start-ups.
- IIC in association with RCED, India conducted a one day session on 'Pradhan Mantri Employment Generation Programme' (PMEGP) on 28th February, 2025.

COLLEGE SOCIETIES AND CLUBS

PGGC-11 encourages holistic development of student through a wide range of active societies that operate throughout the academic year. Participation in at least one society is mandatory, ensuring that every student benefits from co-curricular engagement alongside academic pursuits.

Guided by dedicated faculty coordinators, students from all disciplines enthusiastically take part in society-led initiatives based on their interests. Activities are conducted both on and off campus, fostering creativity, leadership, and social responsibility. Societies regularly organize events such as street plays, human chain formations, signature campaigns, extension lectures, orientation programs, tree plantation drives, cleanliness drives, seminars, workshops, and creative competitions like rangoli, poster making, and slogan writing. These extension activities enrich the academic experience by broadening students' perspectives and enhancing their practical skills. The college also emphasizes community outreach through service-based programs led by various student societies, reinforcing our commitment to civic engagement and social impact.

CAREER COUNSELING AND PLACEMENT CELL : 2024-25

The Career Counselling and Placement Cell of the college stands as a dynamic hub of guidance and opportunity, extending far beyond traditional campus placements. With a holistic and student-centric approach, the Cell empowers final-year students from all academic streams to explore diverse career avenues. From preparing candidates for the Combined Defence Services (CDS) examination and mentoring Civil Services aspirants to creating awareness about programs at prestigious institutions such as JNU, TISS, and IIMs, the Cell provides a robust foundation for a successful career journey.

Committed to students' overall development, the Cell also emphasises essential life skills such as personal grooming and confidence ensuring the preparedness of aspirants for the professional world.

The Cell has established a forward-looking mission with clear objectives. These include conducting in-depth sessions on interview techniques, promoting linkages between industry and academia to stay ahead of employment trends, and encouraging students to explore a diverse range of career options, including entrepreneurship. A special emphasis is placed on enhancing soft skills and ICT proficiency to help students succeed in the global job market.

The Cell aims to transform students into job-ready professionals by improving their employability skills and teaching them effective job search techniques to facilitate smooth career transitions. From the beginning of their academic journey, students receive personalized guidance that aligns with current industry demands, making the Cell a crucial component of their professional development.

The Cell's formula for success includes regular interactions with industry experts, engaging pre-placement presentations, and real-world exposure through internships. These experiences connect classroom learning with workplace expectations, enhancing students' academic and career paths.

The college's campus placement record reflects the Cell's unwavering commitment to student success. During the academic session of 2024–25, students received over 174 job offers from various reputable national and multinational organizations. Noteworthy initiatives include the Rozgar Mela, held on 17th April, 2025, for students from the tri-city area, and the 90-hour Capacity Building Programme (CPBFI) conducted in collaboration with Bajaj Finserv. Additionally, the Cell offers weekend classes for Civil Services preparation and entry into all three wings of the Armed Forces, further enhancing career opportunities for participating students.

In essence, the Career Counselling and Placement Cell is a vital pillar of support and inspiration, nurturing students' aspirations and equipping them with the knowledge, skills, and confidence to achieve their career goals in a competitive world.

OUR ALUMNI: OUR PRIDE : 2024-25

Alumni Association – The Raavians

The **Alumni Association of Postgraduate Government College, Sector-11, Chandigarh** was established with the aim of fostering a collaborative relationship between the institution and its alumni—enabling both to support and uplift each other.

With its mission to build a vibrant, global network, the association actively engages alumni in mutually beneficial initiatives. It serves as a vital support system in all endeavors of the college—whether in advancing the institution's mission and vision, or in contributing to the college's developmental goals and objectives. The registered association continually lends its strength to the growth and enhancement of the institution.

The association proudly boasts a long list of distinguished and illustrious alumni who have excelled in various fields, including **administrative services, education, judiciary, business, and public service**. Many of them have dedicated their lives to making impactful contributions to society. Notable names include **Pawan Kumar Bansal, Satyapal Jain, Bhupinder Singh Hooda, Jagmohan Singh Kang, K.T.S. The National Education Policy, 2020 (NEP) aims for a comprehensive overhaul of the education system, rooted in Indian values, to propel India, or Bharat, into a sustainable, equitable, and knowledge-driven society. Central to this vision are pillars of Access, Equity, Quality, Affordability, and Accountability. NEP 2020 promises to equip the youth to tackle both national and global challenges by fostering multidisciplinary education, institutional autonomy, quality research, teacher development, technology integration, internationalization, governance restructuring, and curriculum diversification.

In higher education, NEP 2020 advocates for a holistic approach, emphasizing multidisciplinary learning, institutional autonomy, and quality research facilitated by the National Research Foundation. It underscores the importance of continuous teacher development, technology integration, and international collaboration. The policy also aims to revamp governance and regulatory frameworks, diversify curricula, enhance pedagogy, improve assessment methods, and promote content availability in Indian languages.

NOTE

Panjab University implemented NEP-2020 w.e.f academic session 2024-25 in its affiliated colleges vide letter no. D-DCDC/24/179 dated 23.04.2024.

THE FUNDAMENTAL PRINCIPLES OF THE POLICY

- Recognizing, identifying, and fostering the unique capabilities of each student, by sensitizing teachers as well as parents to promote each student's holistic development in both academic and non-academic spheres.
- Flexibility, so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talents and interests;
- No hard separations between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc. in order to eliminate harmful hierarchies among, and silos between different areas of learning.
- Multidisciplinary and a holistic education across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge;
- Emphasis on conceptual understanding rather than rote learning and learning for exams.
- Creativity and critical thinking to encourage logical decision-making and innovation;
- Ethics and human & Constitutional values like empathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice;
- Promoting multilingualism and the power of language in teaching and learning;
- Life skills such as communication, cooperation, teamwork, and resilience;
- Focus on regular formative assessment for learning rather than the summative assessment that encourages today's 'coaching culture';

- Extensive use of technology in teaching and learning, removing language barriers, increasing access for Divyang students, and educational planning and management;
- Respect for diversity and respect for the local context in all curriculum, pedagogy, and policy, always keeping in mind that education is a concurrent subject;
- Full equity and inclusion as the cornerstone of all educational decisions to ensure that all students are able to thrive in the education system;
- Synergy in curriculum across all levels of education from early childhood care and education to school education to higher education;
- Teachers and faculty as the heart of the learning process – their recruitment, continuous professional development, positive working environments and service conditions;
- A 'light but tight' regulatory framework to ensure integrity, transparency, and resource efficiency of the educational system through audit and public disclosure while encouraging innovation and out-of-the-box ideas through autonomy, good governance, and empowerment;
- Outstanding research as a co requisite for outstanding education and development;
- Continuous review of progress based on sustained research and regular assessment by educational experts;
- A rootedness and pride in India, and its rich, diverse, ancient and modern culture and knowledge systems and traditions.
- Education is a public service; access to quality education must be considered a basic right of every child;
- Substantial investment in a strong, vibrant public education system as well as the encouragement and facilitation of true philanthropic private and community participation.

THE VISION OF THIS POLICY

- To contribute directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower.
- To develop a deep sense of respect towards the fundamental duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world through curriculum and pedagogy of institutions.
- To instill a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

NOTE

In this regard, it is important for all the applicants seeking admission in 1st year BA (Hons.)/ Bsc (Hons.) /Bcom (Hons.)/ BBA (Hons.)/ BCA (Hons.), BA (Hons.) with Research/ Bsc (Hons.)/BCom (Hons.)/ BBA (Hons.)/ BCA (Hons.) .4 year degree programme under NEP 2020 to read, understand and comprehend the NEP 2020 document, its provisions as applicable to Higher Education. A few important and relevant highlights are outlined below. A detailed presentation in this regard is also uploaded on the website <http://dhe.chd.gov.in/> for further clarification in the matter.

CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMMES

In accordance with the NEP 2020, UGC has formulated a New Student-Centric “Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)” incorporating

- ✓ Flexible Choice-Based Credit System
- ✓ Multidisciplinary Approach
- ✓ Multiple Entry and Exit Options

This will enable students to pursue their career path by choosing the subject / field of their interest.

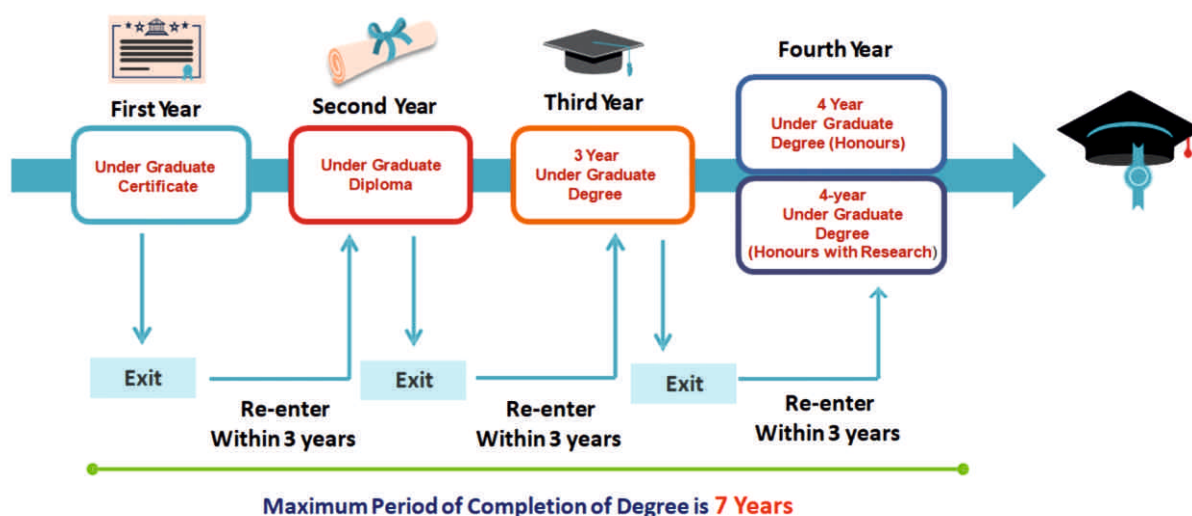

CERTIFICATION AND DURATION OF STUDY WITH MULTIPLE ENTRY & MULTIPLE EXIT OPTIONS

The undergraduate degree will have a flexible duration of either three or four years, with multiple exit and multiple entry options during this period. The table and an exhibit given below outlines the various certifications a student can earn at different stages of their undergraduate study:

Table: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

Duration of Study	Semesters Completed	Certification Earned
4 Years	Eight Semesters	Bachelor's Degree(Honours)
		Bachelor's Degree(Honours and Research)
3 Years	Six Semesters	Bachelor's Degree
2 Years	Four Semesters	Undergraduate Diploma
1 Year	Two Semesters	Undergraduate Certificate

Exhibit: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

SEMESTER AND CREDIT STRUCTURE

A standard academic year is divided into two semesters, each semester spanning a minimum of 15 weeks. In addition to this, an eight-week summer term is also included in the academic calendar.

During the summer term, students are encouraged to engage in internships, apprenticeships or work-based vocational education and training. This is particularly beneficial for students who plan to exit after two or four semesters of study.

CREDIT REQUIRED FOR CERTIFICATION AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME (AS PER PANJAB UNIVERSITY, CHANDIGARH)

Multiple Exit and Entry Options

Programme Exit	Credits Required	Additional Requirement	Awarded	Re- Entry to Degree
After Year 1	48 Credits	Completion of one 4- After credit vocational course/internship/ apprenticeship (in addition to 6 credits from Skill based course) during summer vacation of year 1.	UG Certificate	Within three years of exit
After Year 2	96 Credits	Completion of one 4- credit vocational course during summer vacation of year 2.	UG Diploma	Within three years of exit
After Year 3	144 Credits	Compliance with minimum credit requirements specified in regulations	3 Year UG Degree	Within three years of exit
After Year 4	192 Credits	Compliance with minimum credit requirements specified in regulations	4 Year UG Honours Degree	NA
After Year 4(Honours with Research)	192 Credits(including 12 Credit research project/dissertation)	75% and above marks in the first six semesters, completion of a research project/dissertation under faculty guidance in the major discipline.	4 Year UG Honours with Research Degree	NA

ELIGIBILITY FOR UNDERGRADUATE PROGRAMMES

Specific eligibility criteria for pursuing undergraduate degrees in the Arts, Science or Commerce disciplines are specified in the Admission Guidelines of PU for the academic session 2025-26. These are also reproduced later in this document.

COMPONENTS OF THE STRUCTURE / CURRICULUM FRAMEWORK OF UNDERGRADUATE PROGRAM

In the inaugural year of the undergraduate program, students will have the opportunity to create a multidisciplinary academic plan. This will include the following elements:

Course Type	Description
Major Core	The Central area of study chosen by the student.
Minor Stream	An additional area of study selected by the student, typically outside their major discipline.
Multidisciplinary/ Interdisciplinary course	Course intended to broaden the intellectual experience and from part of liberal art and science education other than their major and minor stream.
Ability Enhancement Courses(AEC)	Courses in English and Modern Indian Language aimed at enhancing language and communication skills.
Skill Enhancement Courses(SEC)	Practical courses designed to enhance the application of knowledge and provide hands-on experience.
Value Added Courses (VAC)	Extra course that provide additional knowledge and skills beyond the curriculum.

Curricular components of the undergraduate programme

The curriculum consists of major stream courses, minor stream courses and courses from other disciplines, language courses, skill courses, and a set of courses on Environmental education, understanding India, Digital and technological solutions, Health & Wellness, Yoga education, and sports and fitness. At the end of the second semester, students can decide either to continue with the chosen major or request a change of major. The minor stream courses include vocational courses which will help the students to equip with job oriented skills.

a) Disciplinary/interdisciplinary major (72 credits for three year UG & 112 credits for four year UG):

The major would provide the opportunity for a student to pursue in-depth study of a particular subject or discipline. Students may be allowed to change major within the broad discipline at the end of the second semester by giving her/him sufficient time to explore interdisciplinary courses during the first year. Advanced-level disciplinary/interdisciplinary courses, a course in research methodology, and a project/dissertation will be conducted in the seventh semester. The final semester will be devoted to seminar presentation, preparation, and submission of project report/dissertation. The project work/dissertation will be on a topic in the disciplinary programme of study or an interdisciplinary topic.

b) Disciplinary/interdisciplinary minors (24-32 credits for three year UG & 32-40 credits for four year UG):

Students will have the option to choose courses from disciplinary/interdisciplinary minors and skill-based courses relating to a chosen vocational education programme. Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or in the chosen interdisciplinary area of study. A student may declare the choice of the minor and vocational stream at the end of the second semester, after exploring various courses.

allotted to the 'Minor' stream relating to Vocational Education and Training and these can be related to the major or minor discipline or choice of the student. These courses will be useful to find a job for those students who exit before completing the programme.

c) Courses from Other Disciplines (Multidisciplinary) (09 credits): All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category:

- i. Natural and Physical Sciences: Students can choose basic courses from disciplines such as Natural Science, for example, Biology, Botany, Zoology, Biotechnology, Biochemistry, Chemistry, Physics, Biophysics, Astronomy and Astrophysics, Earth and Environmental Sciences, etc.
- ii. Mathematics, Statistics, and Computer Applications: Courses under this category will facilitate the students to use and apply tools and techniques in their major and minor disciplines. The course may include training in programming software like Python among others and applications software like STATA, SPSS, Tally, etc. Basic courses under this category will be helpful for science and social science in data analysis and the application of quantitative tools.
- iii. Library, Information, and Media Sciences: Courses from this category will help the students to understand the recent developments in information and media science (journalism, mass media, and communication)
- iv. Commerce and Management: Courses include business management, accountancy, finance, financial institutions, fintech, etc.,
- v. Humanities and Social Sciences: The courses relating to Social Sciences, for example, Anthropology, Communication and Media, Economics, History, Linguistics, Political Science, Psychology, Social Work, Sociology, etc. will enable students to understand the individuals and their social behaviour, society, and nation. Students be introduced to survey methodology and available large-scale databases for India. The courses under humanities include, for example, Archaeology, History, Comparative Literature, Arts & Creative expressions, Creative Writing and Literature, language(s), Philosophy, etc., and interdisciplinary courses relating to humanities. The list of Courses that can include interdisciplinary subjects such as Cognitive Science, Environmental Science, Gender Studies, Global Environment & Health, International Relations, Political Economy and Development, Sustainable Development, Women's and Gender Studies, etc. will be useful to understand society.

d) Ability Enhancement Courses (AEC) (08-10 credits): Modern Indian Language (MIL) & English language focused on language and communication skills. Students are required to achieve competency in a Modern Indian Language (MIL) and in the English language with special Vocational Education and Training: Vocational Education and Training will form an integral part of the undergraduate programme to impart skills along with theory and practical. A minimum of 12 credits

will be emphasis on language and communication skills. The courses aim at enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable students to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses will also emphasize the development and enhancement of skills such as communication, and the ability to participate/conduct discussion and debate.

e) Skills Enhancement Courses (SEC) (09 Credits) : These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

f) Value-Added Courses (VAC) Common to All UG Students (06-08 credits) These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

- i. Understanding India: The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, the Indian education system, and the roles and obligations of teachers to the nation in general and to the school/community/society. The course will attempt to deepen knowledge about and understanding of India's freedom struggle and of the values and ideals that it represented to develop an appreciation of the contributions made by people of all sections and regions of the country, and help learners understand and cherish the values enshrined in the Indian Constitution and to prepare them for their roles and responsibilities as effective citizens of a democratic society.
- ii. Environmental science/education: The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. The course will also deepen the knowledge and understanding of India's environment in its totality, its interactive processes, and its effects on the future quality of people's lives.
- iii. Digital and technological solutions: Courses in cutting-edge areas that are fast gaining prominences, such as Artificial Intelligence (AI), 3-D machining, big data analysis, machine learning, drone technologies, and Deep learning with important applications to health, environment,

and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.

IV. Health & wellness, yoga education, sports, and fitness courses components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organized outside the regular institutional working hours. Yoga education would focus on preparing the students physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining self-discipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.

The HEIs may introduce other innovative value-added courses relevant to the discipline or common to all UG programmes.

g) Summer Internship /Apprenticeship (02–04 credits) : A key aspect of the new UG programme is induction into actual work situations. All the students will also undergo internships/apprenticeships in a firm, industry, or organization or training in labs with faculty and researchers in their own or other HEIs/research institutions during the summer term. Students will be provided with opportunities for internships with local industry, business organizations, health and allied areas, local governments (such as panchayats, municipalities), Parliament or elected representatives, media organizations, artists, crafts persons, and a wide variety of organizations so that students may actively engage with the practical side of their learning and, as a by-product, further improve their employability. Students who wish to exit after the first two semesters will undergo a 4-credit work-based learning/internship during the summer term in order to get a UG certificate.

Community engagement and service: The curricular component of 'community engagement and service' seeks to expose students to the socioeconomic issues in society so that the theoretical learning can be supplemented by actual life experiences to generate solutions to real-life problems. This can be part of summer term activity or part of a major or minor course depending upon the major discipline.

Field-based learning/minor project: The field-based learning/minor project will attempt to provide opportunities for students to understand the different socioeconomic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situations in rural and urban contexts, and to observe and study actual field situations regarding issues related to socioeconomic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process. They would have the opportunity

to gain an understanding of the complex socio-economic problems in the community, and innovative practices required to generate solutions to the identified problems. This may be a summer term project or part of a major or minor course depending on the subject of study.

h) Research Project / Dissertation (12 Credits) : Students choosing a 4-Year Bachelor's degree (Honours with Research) are required to take up research projects under the guidance of a faculty member. The students are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals or may be presented in conferences /seminars or may be patented.

CREDIT STRUCTURE OF UNDERGRADUATE PROGRAM AS PER PANJAB UNIVERSITY, CHANDIGARH

Structure of the Undergraduate Programme Minimum Credit Requirements to award Degree under Each

S. No.	Board category of courses	Minimum Credit Requirement	
1.	Major (Core)	72	112
2.	Minor Stream	24-32	32-40
3.	Multidisciplinary (MDSC)	09	09
4.	Ability Enhancement Courses (AEC)	08-10	08-10
5.	Skill Enhancement Courses (SEC)	09	09
6.	Value Added Courses (VAC)	06-08	06-08
7.	Internship	02-04	02-04
8.	PBI/HCP	04-12	04-12
9.	For the students of 4- Year UG Degree with Research Research Project/ Dissertation: 12 Credits (4 Credits for Research Methodology and Credits for Dissertation) in place of papers meant for the degree without Research.		
	Total	144	192

Note: Honours students not undertaking research will do 3 courses for 12 credits in lieu of a research project/Dissertation.

Credit Hour Allocation for Different Course Types

The workload associated with a course will be measured in terms of credit hours. One credit hour is equivalent to one hour of instructional time per week over the duration of a semester (minimum 15 weeks).

Credit Hours per Course Component

The weekly and semester-wise instructional hours associated with each credit for different components are as follows:

Table: Credit Hours per Course Component

Course Component	Weekly Hours per Credit	Total Hours in a 15 - week Semester
Lecture	1 Hours	15 Hours
Tutorial	1 Hours	15 Hours
Practicum	2 Hours	30 Hours
Seminar, Internship, Studio Activities, Field Activities/ Projects, Community Engagement and service	2 Hours	30 Hours

Letter Grades and Grade Points

The Semester Grade Point Average (SGPA) is computed from the grades as a measure of the student's performance in a given semester. The SGPA is based on the grades of the current term, while the Cumulative GPA (CGPA) is based on the grades in all courses taken after joining the programme of study. The HEIs may also mention marks obtained in each course and a weighted average of marks based on marks obtained in all the semesters taken together for the benefit of students.

Letter Grade	Grade Point
O (Outstanding)	10
A+ (Excellent)	9
A (Very Good)	8
B+ (Good)	7
B (Above average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

Computation of SGPA and CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

I. The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA (S_i) = \sum(C_i \times G_i) / \sum C_i$$

Where C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course.

UGC recommends the following procedure to compute the SGPA CGPA

$$SGPA (S_i) = \sum(C_i \times G_i) / \sum C_i$$

C_i is the number of Credits of the i th Course and
 G_i is the grade point scored by the student in the i th course.

Example for Computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit \times Grade)
1	Course 1	3	A	8	$3 \times 8 = 24$
1	Course 2	4	B+	7	$4 \times 7 = 28$
1	Course 3	3	B	6	$3 \times 6 = 18$
1	Course 4	3	O	10	$3 \times 10 = 30$
1	Course 5	3	C	5	$3 \times 5 = 15$
1	Course 6	4	B	6	$4 \times 6 = 24$
		20			139
	SGPA				$139/20 = 6.95$

$$CGPA = \sum(C_i \times S_i) / \sum C_i$$

S_i is the SGPA of the i th semester and
 C_i is the total number of credits in that semester

Example for Computation of CGPA

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit: 21 SGPA: 6.9	Credit: 22 SGPA: 7.8	Credit: 25 SGPA: 5.6	Credit: 26 SGPA: 6.0	Credit: 26 SGPA: 6.3	Credit: 25 SGPA: 8.0
CGPA = $6.73(21 \times 6.9 + 22 \times 7.8 + 25 \times 5.6 + 26 \times 6.0 + 26 \times 6.3 + 25 \times 8.0) / 145$					

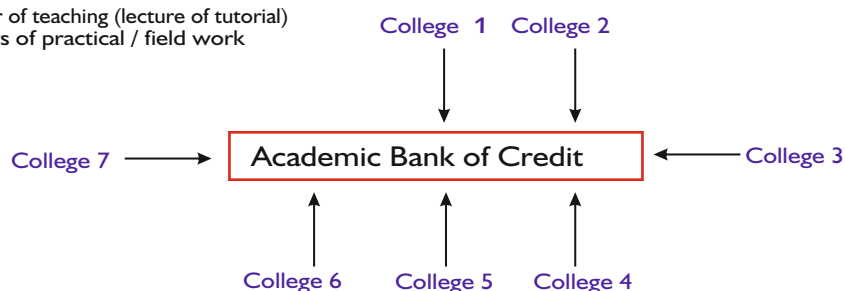

Academic Bank of Credit (ABC)

Under NEP 2020, the students are required to store credits for the completion of learning journey. Academic Bank of Credits (ABC) is a platform provided by Govt. of India that stores the information of the credits earned by an individual students throughout his/her education programme.

An Academic Bank of Credit (ABC) of each student, will be established which would store the academic credits earned by a student from various recognized HEIs, so that the degrees from an HEI can be awarded taking into account the total credits earned.

Credit-Based

* 1 Credit = 1 hour of teaching (lecture or tutorial)
 = 2 hours of practical / field work

Each student is required to register on ABC.com. The steps to register on ABC are as follows:

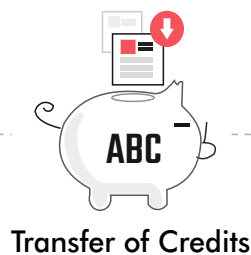

1. Login to DigiLocker. Student with DigiLocker Account can create ABC ID.
2. Search for Education. Education category shows Academic Bank of Credits service.
3. Create ABC ID. Select your University and click on Generate ABC ID.
4. Accumulate Credits. Students can check accumulated credits by logging into abc.gov.in.

How it works?

BRIEF OVERVIEW OF NEP REGULATIONS REGARDING FOUR YEAR UNDERGRADUATE PROGRAMMES

Four years (8 semesters) Undergraduate Programme for Colleges Affiliated to Panjab University , Chandigarh

What is NEP?

NEP or National Education Policy (2020) replaces the old National Educational Policy of 1986 and transitions from a 3- year Bachelor's degree programme to a 4-year Multi-Disciplinary Bachelor's Degree programme with multiple exit options.

How does NEP work?

In the first semester : The student will choose three Discipline Specific Courses, A1, B1 and C1 with 4 credits each; one Multidisciplinary course or MDC of 3 credits; one Ability Enhancement Course or AEC- (Compulsory English) of 2 credits; one Skill Enhancement or SEC of 3 credits; one Pbi/HCP course of 2 credits leading to a total of 24 credits.

Template in a Tabular Form

Semester 1	Subject-A (4 Credits)	Subject-B (4 Credits)	Subject-C (4 Credits)	MDC/IDC (3 Credits)	AEC (2 Credits)	VAC (2 Credits)	SEC (3 Credits)	Internship/Community Work (4 Credit)	PBI/HCP (2 Credits)	Total = 24 Credits
---------------	-----------------------------	-----------------------------	-----------------------------	---------------------------	-----------------------	-----------------------	-----------------------	---	---------------------------	--------------------------

Eligibility criteria for Admission to B.A./B.A. Hons.

- Should have passed 10+2 examination from a recognized board.

Description of Exit Options

1. After one year of study: 48 credits+ 4 credits from Summer Internship/ Community work = UG Certificate.
2. After two years of study: 96 credits + 4 credits from SI/ CW= UG Diploma
3. After three years of study: 144 credits =B.A. Degree
4. After 4 years of study: 192 credits =B.A. (Hons) Degree
5. Students securing 75% in aggregate in 6 semesters shall be eligible for a 4 year B.A. Honours with Research Degree

SUPPORT MECHANISM AND CAPACITY BUILDING

SUPPORT MECHANISM

The college has a strong support mechanism for our students to fulfil their dreams of getting quality education. We support our students mentally and financially as well.

INTERNAL COMPLAINTS COMMITTEE

The college has a robust ICC that looks into matters of Sexual Harrassment at workplace. It works to prevent, prohibit and rederessal complaints of harassment to ensure a safe and respectful environment for women students and women employees.

GRIEVANCE REDRESSAL : We also take care of mental health of students through a Counselling Cell run by the department of Psychology . In addition to that, a team of teacher-mentors help students to cope with issues related to studies.

SUPPORT FOR DIFFERENTLY ABLED STUDENTS:

- The college library offers a dedicated Brail Corner for visually challenged students.
- Wheelchair and ramp facility available in some departments for physically challenged persons.
- A dedicated grievance redressal cell for differently abled students.

Financial support: We have various provisions to cater to the financial needs of our students in terms of scholarships. PGGC-11 is registered at the 'National Scholarship Portal' by Government of India. To avail scholarship under various schemes floated by Central and State Government from time to time, the students can get themselves registered on 'National Scholarship Portal' at URL: www.scholarship.gov.in .

CAPACITY BUILDING

Under the capacity building program, the college organizes various activities such as:

1. Start-up incubation and industrial support under Institutional Innovation Council (IIC) by MHRD, Govt. of India.
2. Research Methodology training such as literature citation, paper writing, library accessing, instrumentation, use of ICT etc.
3. Collaborations and MoUs with other prestigious institutes for the student and faculty exchange programs
4. Workshop on Film and documentary making.
5. Workshops on dramatics, poetry and writing skills.
6. Training for competitive exams like CDS, UPSC, Assistant Commandant in para-military forces etc.
