Dear Students,

It gives me immense pleasure to welcome you to Post Graduate Govt. College, Sector-11, Chandigarh, the college with the richest and the oldest heritage in the City Beautiful. Centrally located and easily accessible, PGGC-11 is a home away from home. Through it's more than six decades of service to

the community, the college has consistently met and exceeded the educational needs of the student populace. We believe in an education system that values creativity, that makes a deliberate effort to spark independent thinking and instills an urge for lifelong pursuit of learning. The institution inspires students to create their own world-view.

At PGGC-11, we provide our students with a well structured, healthy and harmonious environment that makes them sure-footed in knowledge while remaining firmly rooted in culture, values and traditions of our country. While academic excellence is our major thrust, we offer a synchronised combination of classroom learning and sports, games, cultural and other related activities. The endeavour is to transform our students into rational thinkers, competent workers and responsible citizens. We follow a students- centric approach wherein knowledge is imparted through debates, group discussions, workshops, symposia, seminars and cultural competitions. Eminent personalities are invited for interactive sessions with our students to expose them to new ideas and thoughts. Teaching-Learning is at the core of the institutional ethos. We are constantly making efforts to maintain standards and innovate to improve the quality of education. We do our best to extend and encourage learning beyond the classroom.

It is a great pleasure as Principal to welcome you all to the beginning of your lifelong association with this College. You are joining us at a time when higher education is undergoing rapid and dramatic transformation. We live in an era when knowledge is growing in importance in addressing the world's most pressing problems. We at PGGC-11 aspire to empower all young women and men to succeed in their world by offering a wide variety of challenging, enjoyable and creative curricular, co-curricular and extra-curricular opportunities.

This college, while proud of its past achievements, is marching ahead on its journey to achieve excellence. Gurudev Rabindranath Tagore said: "The highest education is that which does not merely give us information but makes our life in harmony with all existence" . This is the kind of education we strive to impart in PGGC-11.

With blessings and best wishes,

Postgraduate Government College, Sector-11, Chandigarh is one of the oldest colleges in the City Beautiful. Established in May 1953 in the building presently housing the Hotel Mountview, Sector-10, the college moved to its present building in 1960. This Heritage building was originally designed by Percy Jeanneret under the supervision of E. Maxwell Fry. Accredited Grade 'A' by NAAC Peer Team in 2017, today the college has 4513 students on roll, of which 2024 are girls. With the mission of empowering our learners to excel in their chosen fields and become ethical and responsible citizens, we endeavour to generate in our students a ceaseless search for knowledge.

In an endeavour to give the students ample choice, the college imparts instructions in different streams: At **Undergraduate level** we offer—**Humanities** (where there are 20 subject options in general course and 10 subjects in Honours course), **Science, Commerce, Business Administration, Biotechnology, Information Technology, Physical Education** where **B.PEd.** is a 4 year course. The Department of Physical Education along with many other departments as English, Mathematics, Sociology, Psychology and Economics also offer **Ph.D** supervision. The college also offers M.Phil in Physical education.

The college offers **Post-Graduate courses** in Chemistry, Commerce, English, Punjabi, Physical Education, History, and Information Technology. I feel great pride in sharing that 79 faculty members of the college hold Ph.D degrees and 24 hold M.Phil degrees.

The College encourages a robust academic environment for educational programmes and research projects. The College has a Research Center in Physical Education to bridge the gap between learning and research related activities. The College organizes educational interactive sessions, workshops and seminars with eminent speakers deliberating on recent research and knowledge for the professional and personal growth of Faculty members and Students. The faculty collaborated in projects funded by the Department of Science and Technology (DST), Indian Council of Medical Research (ICMR); and University Grants Commission (UGC) during the last five years.

The college library is spacious, fully automated, centrally air- conditioned, equipped with sixteen CCTV cameras and INFLIBNET data base. It has Libsys which is a user friendly web based library management solution. There is also a digital corner and a Braille section for visually challenged students.

During the past 69 years PGGC-11 has scaled many glorious heights and has carved a niche in the educational edifice in this part of the country. The college has been extremely successful and satisfying in terms of accomplishments and accolades not only in scholastic but co-scholastic areas like NCC, NSS and GCDC(Government College Dramatic Club) in which our students continue to bring us laurels at the university zonal and national levels year after year. Our constant and untiring efforts are aimed at preparing students for holistic lifelong learning, ethical leadership, community service and responsible citizenship.

Our goal is to enrich intellect, encourage creativity and build character in a student-centered learning environment. Learners thus empowered are sure to excel and assume roles of leadership in their chosen fields of endeavor. We are thus committed to create and sustain learning environment for an educational journey that is intellectually, socially and personally transformative. The college has consistently produced alumnae who have been trailblazers in their respective fields. Our alumnae have contributed many eminent authors, scholars, entrepreneurs, politicians, academicians, civil servants, diplomats, judges, medicos, engineers, armed forces personnel and media persons to the community, who have carved a niche for themselves in India and abroad.

The In-house Counseling facility offered on the campus seeks to assist student at personal as well as professional level. The Career Counseling & Placement Cell counsels the students around the year for admissions to institutes of higher education at national and international level so as to facilitate their career progression. College has won laurels in the spheres of academics, sports and other creative activities. True to its motto "Higher and Still Higher" , the college inculcates rich values and cherishes traditions to enable each and every student to new heights.

OUR VISION

- ❖ To create an educational experience to open minds and expand perspectives, to nurture, share and apply knowledge in an inclusive environment of intellectual inquiry.
- ❖ To sustain excellence in teaching, scholarly research and community outreach initiatives.
- ❖ To extend learning beyond the classroom to encompass a broad range of extra-curricular and sports opportunities.
- ❖ To strive for individual and collective excellence by helping students to develop their unique potentials with reason, imagination and human concern.
- ❖ To build a student community committed to bring about equity, diversity and social justice.
- ❖ To be a center of excellence in the region with multifaceted development-centric approach and strengthen our identity at national and international levels.

OUR MISSION

True to our College Motto 'Higher and Still Higher', our constant and untiring efforts are aimed at preparing students for holistic lifelong learning, ethical leadership, community service and responsible citizenship. Our goal is to enrich intellect, encourage creativity and build character in a student-centered learning environment. Learners thus empowered are sure to excel and assume roles of leadership in their chosen fields of endeavor. We are thus committed to create and sustain learning environment for an educational journey that is intellectually, socially and personally transformative.

We at PGGC-11 encourage young students to participate in activities, which promote their soft skills and make them aware of their responsibilities for the nation. Various events and activities are conducted throughout the session and it's mandatory for students to enroll themselves in at least one society. Students can join any of the following social societies:

- ❑ AIDS Awareness and Public Health Society
- ❑ Best out of Waste Society
- ❑ Blood Donation Society
- ❑ Community Hygiene and Sanitation Society
- ❑ Cultural and Heritage Society
- ❑ Dramatics
- ❑ Environment Awareness Society
- ❑ Gender Equity Society and Self-Defence Society
- ❑ Literary Society
- ❑ Sports Society
- ❑ Stress Management and Drug De-Addiction Society
- ❑ Traffic Awareness and Road Safety Society

Amidst pandemic some of the activities undertaken by the societies include webinars, online competitions viz. Slogan Writing, Essay Writing, Poem Writing, Article Writing, Story Writing, Poem Recitation, Virtual Painting, Poster Making, Collage Making and Miniature-garden Making, Power Point Presentations and Quiz.

The self-motivated and ceaseless activities of subject societies constitute a very important part of college life and offer a large variety of avenues for self expression. For each subject there is a Society that sponsors extra-curricular lectures and discussions and, in general, tries to stimulate interest in the subject. Participation is very much at the heart of our ethos at PGGC-11 and these societies actively encourage students to engage in stimulating, thought-provoking and exciting events

The Heritage college of City Beautiful boasts of all three wings of NCC- Air Wing, Army Wing and Naval Wing. The motto of NCC: " UNITY AND DISCIPLINE" along with the motto of the college "Higher and still Higher" has inspired generations of young men and women to don the military attire to serve the nation. The college fosters among its cadets through its NCC wings to develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth to make them useful citizens of our great motherland. At another level the mentors of Senior Division (SD)/ Senior Wing (SW) are motivated to create a human resource of organized trained and motivated youth to provide leadership in all walks of life including the Armed Forces and be always available for the service of the nation. Over the years all the three wings of the NCC have won innumerable trophies at State and national level including the best cadet trophy at the prestigious Republic day parade. Of these winners many have gone on to attend Youth Exchange Programme (YEP) to distant shores. Outstanding cadets go on to attend the challenging Vayusainik, Thalsainik & Nausainik Camp. All the three wings have continuously won the Annual Training Camp (ATC) since last several years. The college encourages every year new entrant to join the three wings of NCC and carry the glorious tradition ahead.

NSS Prospects: Not me, but you is the most inspiring motto of National Service Scheme launched on Gandhiji's centenary year in 1969 to promote the public service programme. We at PGGC-11 have three NSS Units: 1 for girls and 2 for boys. Our NSS volunteers have been bagging rich harvest of national/international awards by dint of their commitment and dedication towards social service.

NSS provides a golden opportunity to the students in Academic, social and cultural fields not only for community service but for personal life also, as it is the third dimension of Education. It allows the students to actively contribute their services and inculcate the spirit of discipline and regularity. The college has three NSS Units:

- Two for Boys Wing
- One for Girl Wing

MOU's SIGNED BY PGCC-11

Memorandum of Understanding signed with ICMR, Centre of Innovation and Bio Design (CIBioD), PGIMER, Chandigarh with an aim to promote innovation in medical sciences and instruments for recognising the importance of Research and Development.

Another MoU signed with 'Aahaar Kranti', a mission dedicated to spread awareness about nutrition. The initiative 'Aahaar Kranti' will focus on addressing the problem of hunger and diseases in abundance across India and the world and will shed light on the richness and value of India's traditional diet, the miracles of local fruits and vegetables, and the healing powers of a balanced diet.

The college also signed an MoU with Regional Centre for Entrepreneurship Development (RCED). RCED will collaborate with the college in conducting programmes on Entrepreneurship development sponsored by Department of Science and Technology, Govt. of India, Directorate of Industries, Khadi and Village industries Commission (KVIC), Govt. of India, National Skill Development Corporation, Tech Mahindra Foundation, NASSCOM Foundation, SJVN, PFC etc.

ADMISSION TEST (2022-23) PHYSICAL EFFICIENCY TEST GUIDELINES FOR M.P.ED. & B.P.ED. 1ST SEMESTER

(Source: https://www.nsu.ac.in/sites/default/files/NSU%20Prospectus%202022-23_1.pdf)

Candidates are required to qualify Physical Efficiency Test (Component includes: Speed, Lower Body Strength, Upper Body Strength and Endurance) to get admission in the said course securing minimum 45% marks of the maximum score obtained by the fellow examinee.

The components of the Physical Fitness Test are:

Sr. No.	Component of Physical Fitness	Test Item
1	Speed	50 Meter Dash
2	Strength (Lower Body)	Standing Broad Jump
3	Strength (Upper Body)	Overhead Power Ball Throw (Backward)
4	Endurance	1000 Meter Run/Walk Test

50 METER DASH

Sprint or speed tests can be performed over varying distances, depending on the factors being tested and their relevance to the sport.

Purpose:

This test measure determines acceleration and speed.

Equipment:

Flat and clear surface of at least 70 meters.

Procedure:

This test involves running a single maximum sprint over 50 meters, with the time recorded. Start from a stationary standing position (hands cannot touch the ground), with one foot in front of the other. The front foot must be behind the starting line. Once the subject is ready and motionless, the starter gives the instructions "set" then "go.". The tester should provide hints for maximizing speed (such as keeping low, and driving hard with the arms and legs) and the participant should be encouraged to not slow down before crossing the finish line.

Scoring:

The total time taken to complete the distance is recorded, to the nearest one-tenth of a second.

STANDING LONG JUMPTEST (BROAD JUMP)

The Standing long jump also called the Broad Jump, is a common and easy to administer test of explosive leg power.

Purpose:

This test measures the explosive power of the legs.

Equipment:

Tape measure to measure distance jumped, non-slip floor for takeoff, and soft-landing area preferred. The take-off line should be marked.

Procedure:

The candidate stands behind a line marked on the ground with feet slightly apart. A two-foot take-off and landing are used, with the swinging of the arms and bending of the knees to provide forward drive. The subject attempts to jump as far as possible, landing on both feet without falling backward. Three attempts are allowed.

Scoring:

The measurement is taken from the take-off line to the nearest point of contact on the landing (back of the heels). Record the longest distance jumped, the best of three attempts, in meters and centimetres.

OVERHEAD POWER BALL THROW (BACKWARD)

The test involves throwing a medicine ball for maximum distance.

Purpose:

This test measures core strength and total body power.

Equipment:

2 and 3 kg Medicine ball (3kg for boys and 2 kg for girls).

Procedure:

The candidate starts by standing facing away from the direction they are going to throw, with their heels at the start line. The starting position is with the ball in both hands, held above the head, with arms extended. Keeping the arms extended, swing the ball down between your legs while flexing the knees. Then in one motion, the ball is flung up and back over the head. The athlete is permitted to fall backward over the line after the ball is released. Three attempts are allowed.

Scoring:

The distance from the starting line to where the ball first lands are recorded. The best result of three throws is recorded to the nearest, in meters and centimeters.

1000 METER RUN/WALK TEST

The 1 km (1000 mtrs) run test for males and females is one of the fitness tests used to measure cardiovascular endurance.

Purpose:

This test measures aerobic fitness.

Equipment:

Oval or running track.

Procedure:

This test aims to complete the required distance in the fastest possible time. On the signal, “ready,” all participants line up behind the starting line. On the command 'Go!' the clock will start, and they will begin running at their own pace. Cheering or calling out the elapsed time is also permitted to encourage the participants. Walking is permitted but not encouraged.

Scoring:

The total time taken to complete the distance is recorded, in minutes and seconds.
