

## POST GRADUATE GOVT COLLEGE SECTOR 11, CHANDIGARH

### DEPARTMENT OF BOTANY AND ENVIRONMENT SCIENCE

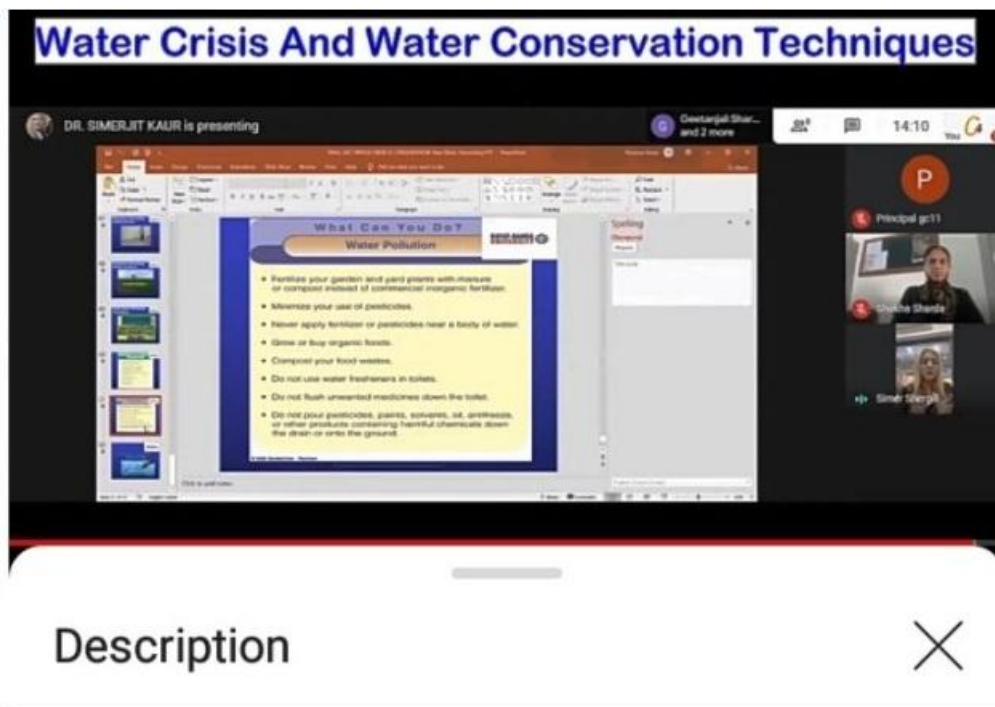

The Department of **Botany and Environment Science** of **PGGC-11** have organized Webinar on 'Water Crisis and Water Conservation' on account of National Science Day, 2021 with special reference to Rainwater Harvesting.

Speaker: **Dr. Simerjit Kaur Shergill** (HOD, Department of Life Sciences and Environmental Sciences, Rayat Bahra University) gave a truly impressive and informative lecture on the importance of water, being the utter need of hour today.

Over 700 viewers including students and faculty members from different institutes in and around the city were benefitted from this session.

This webinar was held under the guidance and motivation of our worthy Principal, **Dr. Sangam Kapoor** and HOD Botany and Environment Science, **Mrs. Geetanjali Sharma**.
