

## **Annexure II**

### **Feedback of Various Stakeholders**

#### **Feedback of Parents**

As per the feedback received from the parents, 80% of them are satisfied with the progress of their ward in the college. 70% of the parents were unaware of the facility of online attendance. To make it productive, further publicity is required.

#### **Feedback of Employees**

The college employees were very satisfied with the logistic support from the respective departments and the college in general.

#### **Feedback of Students**

Student's feedback indicated that the present system is successful in serving their purpose very well. Over all, the performance of a teacher is well accepted by the students. Aspects like punctuality, presentation style, understanding the subject matter, motivation and encouragement of the students received rating between very good and outstanding.

#### **Feedback of Alumni**

The feedbacks from alumni are very positive about the college. Be it infrastructure of the college, quality of teaching faculty, improvement of sports and library, the feedback reflected a very positive and appreciated satisfaction. However majority of the feedback also calls for further improvement, so as to live up to the college motto of "Higher and Still Higher".
