

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

5.13 Major grievances of students (if any) redressed:

The College has an active Grievance Redressal Cell under the aegis of Women Cell, Chandigarh Administration, Chandigarh. The suggestions and complaints are received from the students. The suggestions and grievances of the students thus obtained are redressed. In case of a recurring complaint/suggestion, the same is forwarded to the Principal for needful action. Some of the problems redressed include

- Installation of more water filters and coolers on different floors.
- ATM facility provided to the students and staff in the college.
- Installation of more fans in the classrooms.
- Redressal of parking issues.
- Regular cleaning of wash rooms/toilets.
- Canteen cleanliness and facilities are improved.
- Placement of more benches in the college parks.
- Deployment of CID personnel and PCR Vans for regular patrolling in the college vicinity.

Redressal Cell for Physically Challenged Students aims at honing interactive skills of the physically challenged students and overall development of their personality. Several interactive sessions were held during the current academic session to discuss the challenges faced by these students in their daily life. Several students have successfully participated in both sports as well as cultural activities of the College.

Hostel welfare committee takes care of the grievances of the hostelers. Matters related to food, mess timings, extension of library facility 24X7, night outs, electricity and water scarcity issues have been addressed to and resolved by the committee. The redressal cell of the college enables the faculty to remain connected with the students and to provide them with more conducive environment in the college.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

College Vision: with the motto higher and still higher, the institute envisages being a pioneer in the integration of academics and outreach.

- To increase the overall academic potential.
- To make the graduates and undergraduates empowered as per the needs of the society.
- To integrate academics and community outreach in a way that students can serve as social change agents.
- To serve as a model college of the region in academic and extra-curricular domains
- To strive to be an autonomous college.
- To be the leading educational institution in the region with multifaceted development-centric approach.

College Mission:

- Provide higher education to economically and educationally impoverished regions of North India.
- To equip students with Undergraduate and Postgraduate degrees which are essential for diverse career options.
- To provide an education that helps in building healthy character and production of good citizens.
- To provide such education as is commensurate with the needs of the present times.
- To integrate into the curriculum various community oriented programmes in a way that engenders a sense of community service in the students.
- To promote harmonious relationship among Faculty, Student Community, Parents and Society through Effective Counselling, Guidance and Redressal of Grievances.
- The institution progresses keeping in view the syllabi of Panjab University Chandigarh.
- The institution maintains it's standards as per the needs of the changing social, industrial and global scenario.
- The institution strives to maintain a positive nexus between theoretical and practical dimensions of various disciplines.
- The College maintains a consonance between academics, extra-curricular activities and sports.
- The College makes the students aware and prepares them for the challenges and opportunities ahead while sensitizing them towards issues concerning social justice and individual dignity.
- The College carries out community-centric activities to be a dynamic component of National Development Process.

6.2 Does the Institution has a management Information System.

Yes, all the data of students is computerized. College has e-campus software under Chandigarh Administration's e-governance initiative. All the major activities like admission, fee, pay roll, and examination are computerized. Library is also fully computerized. Syllabus of all classes is uploaded on college website. Examination marks and attendance of students is also uploaded on campus solution.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The curriculum is devised by the Affiliating University i.e. Panjab University. As many as 10 faculty members of this College are members of the University Board of bodies such as PG Studies and UG Board of Studies. Being members of these bodies, the College teachers suggest changes and participate in updating the syllabi at the meetings of these bodies. Their suggestions are invariably incorporated.

6.3.2 Teaching and Learning

All efforts are made to make teaching and learning learner-centred and interactive. Regular chalk and talk method are supplemented with ICT enabled teaching and by organizing seminars, guest lectures, student seminars, group discussions, and quiz tests etc. The review of teaching and learning is monitored by IQAC. Students feedback, class tests are made on regular basis.

6.3.3 Examination and Evaluation

There are term wise examinations in one year. The students are evaluated through the process of examinations, assessment and other activities. The college awards Internal Assessment to the students on the basis of following parameters:

- College Examinations in the month of September.
- Attendance of the students.
- Class participation.
- Seminars/presentations/assignments by the students.
- Class tests.
- Performance in practical.
- All the answer sheets are shown to the students and they are instructed about how evaluation is done. The Semester/Annual Exams are conducted and evaluated by the University.

6.3.4 Research and Development

College teachers are encouraged to get involved in research work. Teachers are encouraged to undertake future research by writing papers, attending seminars/conferences and workshops. Research centre for faculty in library is the initiative taken by the college in improving research and development. College has started e-journals to promote research. Proper infrastructural facilities are made available for research. They are allowed duty leave when they have to attend/make presentations at seminars/conferences organized by other institutions. Many College teachers are guiding Ph.D. and M.Phil. research work of scholars of Panjab University and other universities. The college has a recognized research centre in Physical Education Department duly approved by the affiliating university i.e. Panjab University. Laptops have been given to faculty members as a research-support mechanism.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library-Spacious and fully computerized library with ever increasing holdings, user friendly and comprehensive library services, complete automation of library services and INFLIBNET membership. Library internet facility is made available on 18 computers with 06 printers. There are 6000 e journals, 30 lakh + e-books.

ICT- Smart classrooms in the college enable online teaching to the students along with ICT enabled multimedia centre and UGC Network Centre. For promotion of research the college has UGC committee and IQAC.

Infrastructure / Instrumentation- Adequate number of spacious classrooms and well equipped labs, seminar hall with audio-visual facilities, UGC network resource centre, girls common room, playgrounds with all possible outdoor sports facilities, indoor games facilities, fire fighting facilities and well maintained gardens. 24 x 7 Internet, Wi-Fi in some areas and CCTV surveillance services.

6.3.6 Human Resource Management

Almost the entire teaching faculty is involved in carrying out academic/extracurricular and developmental activities in the College. The expertise of College faculty is kept in mind while enlisting them for various committees. The College office staff is sent on training to other institutions for equipping them with the latest office techniques

Anti Ragging helpline, Grievance cell, Anti Sexual Harassment cell, Self Defence Training for girls were some of the initiatives taken up for Human Resource Management. A fund named Our Children is generated by the college wherein donations are given generously by the college staff. This fund is used for assisting the needy students for payment of fees and purchase of books and stationery.

6.3.7 Faculty and Staff recruitment

Faculty members are recruited by UPSC and are also on deputation from the state of Punjab and Haryana. The UT administration has also recruited teachers on contract basis to meet the requirements of self-financing courses and existing courses. Faculty is highly competent and dedicated. There are 57 permanent teaching faculties in the college and 73 lecturers on contract basis. The College recruits only guest/contractual faculty against sanctioned posts which are lying vacant, and for self-financing programmes. For this a very transparent system of selection is followed and the best available faculty is recruited.

6.3.8 Industry Interaction / Collaboration

The institute interacts with various local as well as outside institutes. The placement cell is responsible for making these contacts for the outgoing classes.

Campus placements by visiting companies are arranged for students. Many companies and banks keep on visiting for seminar in college for the recruitment of students. During the current session The Placement Cell facilitated campus recruitment drive of various national and international companies as well as organized career related talks/workshops for students and organized three days Entrepreneur Development Programme from March 21-23, 2018 for 150 students.

6.3.9 Admission of Students

Admissions of students are made as per norms of the affiliating university and the state Govt. norms regarding reservation.

1. BCA -I, B.Com-I, BBA- I, B.Sc-1 (Medical & Non-Medical)–Centralized Admission.
2. B.A -I on the spot admission.(Semester System)

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the Functioning of the institution. Give details.

- **Online admission for all streams.**
- **Personality Development Programme:** Total enrollment for the ongoing session 2017-18 is 859 students, divided into 12 groups. A 100 - hour Personality Development Programme for final year students was conducted to train them not only in personality development but also in soft skills, group discussions, public speaking, interviews and presentation skills.
- **Cosmic garden:** Every Nakshatra is represented by a cosmic tree, which carries some properties and medicinal characteristics similar to the person born during that particular nakshatra. This garden is 1st in India.
- Greater use of ICT based teaching learning. Most science departments have been equipped with Internet enabled computers and Science Labs with LCD projectors.
- For raising consciousness of the learners about social issues such as women rights, importance of Blood donation, AIDS and Cancer Awareness etc. were organised.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Plan of Action	Achievements
<ul style="list-style-type: none"> • Increase in Infrastructure Facilities • Facilitation of on-line services to library, networking of campus, Internet Services. • Overall up-gradation of technology • Creation of Departmental Libraries. • New courses applied for M.A Hindi, Functional Hindi, Home Science, Musical Instruments, Fine Arts, French, M.Sc Zoology, Biotechnology and Diploma in Mass Communication. • Renovation of Chemistry Laboratory. • Makeover of Principal Office, Dean Office, Vice-Principal Office and Examination Branch. • Recreation of centre for students. • Construction of server room in Department of Commerce & BBA. 	<ul style="list-style-type: none"> • CCTV cameras in the campus. • Biometric and Face reading machine for attendance of staff. • Automatic Electronic bell. • E-waste store. • E- Content module for uploading contents. • Information and Communication Technology (ICT) helps e-access to books and journals in library. • Two LED TVs • E-Bike • Shrubmaster • LED Signboard • Renovation of Chemistry Laboratory is in process. • Recreation of centre for students is in process. • Aadhar Enrollment Kit was provided by Chandigarh Administration. • Server room was constructed in the Department of Commerce & BBA.

First Best Practice HAMARI KAKSHA

A Class Apart is a nongovernmental organization working in the field of 'education for all' since 2003. It is run by teachers and student volunteers and is aimed at giving special training and enhancing personalities, values and skills of underprivileged children, especially dropouts and low-performers, as well as their mothers. Our motto is 'Potential Unlimited' where not only is the latent talent of these children explored and tapped but also a platform is provided to the young volunteers to make them socially aware and responsible. Chandigarh Administration, Panchkula Administration and The Sai Trust have very kindly provided us space to run our four branches.

We are now seeking to expand our activity, as well as to create a sustained financial assistance system, so that we can upgrade and expand our activities further.

Second Best Practice ROSHNI KI AUR

The group named Roshni ki Aur was started in 2013. The main aim of this group is to promote the sense of dignity, self confidence and among the differently-abled persons with special reference to different ability of visually challenged persons. Basically it is an extracurricular group of PGGC-11. It also meant to sensitize the different constituents of the society towards the need of these persons.

The group organized different activities, events and host of other programmes to attain the objectives. Activities includes lectures, talks, dramas, cricket matches etc. In the era of inclusive education such groups can be very handy to achieve the goal to participative society in real sense of the term. The Alumni Association of the college is also contributing in this group.

Third Best practice Our Children

Our Children raises funds wherein donations are given generously by the college staff. This fund is used for assisting the needy students for payment of fees and purchase of books and stationery.

Fourth Best Practice Open Eyes Foundation Book Bank

Open Eyes Foundation Book Bank is an initiative taken by the students of the college to make the books that they procure from the pass-out students for under privileged children to make education accessible to one and all.

7.4 Contribution to environmental awareness / protection

- The institution spreads awareness and sensitizes the students regarding sustainable environment practices through talks, debates, poster making competitions etc.
- Eco- friendly practices such as tree-plantation drives and cleanliness drives are undertaken on a regular basis.
- For segregating biodegradable and non-biodegradable waste, separate waste bins have been placed at several places in the College.
- Anti cracker awareness campaign was held.
- Cosmic and herbal garden.
- Mobile Detox- “Club Cinnamon - For a Change” under the aegis of PG Department of English has started an awareness campaign to enlighten the youth regarding overuse of gadgets. It is an opportunity to increase mindfulness, lower anxiety and be united with one’s environment.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:

- One of the oldest and reputed Institution of the region.
- Well-qualified teaching faculty.
- A hugely popular institution.
- Beautiful Campus.
- Wide range of courses.
- Our College is the only College in the city offering B.P.Ed.4 year and M.P.Ed. 2 years courses
- Effective teaching-learning.
- Computerized library with INFLIBNET membership
- Girls Hostel.
- Education aimed at holistic development of the learners' personality.
- Very good infrastructure with 23 smart classrooms, well equipped science labs, seminar room and language lab.
- A wide range of sports/co-curricular activities.
- No smoking Zone.
- Wifi enabled campus (In some areas).
- Green house.
- Cosmic garden (first in India).
- Herbal garden.
- Placement cell.
- Environment cell.
- Entrepreneurial cell.
- Network resource centre.
- Our Children.
- Open Eyes Foundation.

Weaknesses:

- The affiliated status of the College does not allow us to frame our own syllabi according to the specific needs of the College students.
- Shortage of permanent staff.
- High teacher student ratio.

Opportunities:

- Financial aid from RUSA.
- Having tie-ups with industries and research institutions since the College has M.Sc. in Chemistry & I.T.
- Starting such courses as would help the students get jobs
- Laptop for entire staff.
- Availability of reputed companies for employability of students.

Challenges:

- Catering to the increasing number of students from varied backgrounds.
- Finding ways and means to provide campus/off-campus placements to the students.
- Improving the communication skills of the students, a vast majority of which comes from rural backgrounds.
- Private colleges.

8. Plans of institution for next year

- To intensify efforts for campus placement of the students.
- To start new courses such as. Elective Course in Library Science, M.Sc in Physics & Zoology and M.A.- Hindi .
- College will also start BCA- Unit 3 from the next academic session.
- To encourage teachers to be deeply involved in research.
- To seek greater institution-industry interaction.
