

1. ABOUT THE COLLEGE

Postgraduate Government College, Sector 11, Chandigarh, right from its inception in 1953 has been a premier institute in the region with a vision of academic excellence and creativity that encourages multifaceted development of its students. It is one of the oldest colleges in the ‘City Beautiful’. Centrally located and easily accessible PGGC-11 is a home away from home. The College and the City have pinnacles of growth and renewal, synchronously and are still imbued with more possibilities and potentials.

As a matter of pride the College provides Bachelor courses in Arts, Science, Commerce and Computer Science (B.A., B.Sc., B.C.A, B.Com, B.B.A, B.P.Ed.) and Postgraduate courses in Chemistry, Information Technology, History, English, Punjabi, Commerce and Physical Education.

With the proud legacy of 69 years the institute provide its students a well-structured, healthy and harmonious environment that makes them sure-footed in knowledge while remaining firmly rooted in culture, values and traditions of our country. Many of our students have excelled in their subject. They made and left their mark in the merit list of Panjab University. As a prestigious institute of learning, it has grown into an epicenter of intellectual and aesthetic activities in the region. Being the first college in the city, it has time and again, proven itself eminently worthy of its role as a torchbearer. The College aims to provide a congenial atmosphere and constructive channel to its students for the fullest development of their multi-dimensional personalities. The College, while proud of its past achievements, is marching ahead on its journey to achieve excellence.

2. OUR VISION

“Transform one life, Transform the Nation”.

Activities in the College are driven to transform the students into awakened beings that would bring transformation in our society and the Nation. The Institute strives to be the standard of excellence for other colleges fostering intellect, creativity, aesthetic appreciation and character as an active student center learning community. The formal and informal arrangements are specially curated to coordinate the academic and administrative planning. Our implementation reflects the institutional efforts in achieving its vision by setting up an

example in curriculum and interactive environment. Our vision is to produce generations of optimistic, resourceful, committed and passionate future leaders who will continue to transform the society and the Nation.

3. OUR MISSION

The motto of PGGC-11 “Higher and Still Higher” highlights our mission- Transcending knowledge beyond books and Academics. The Institute is committed to provide knowledge that highlights the intellectual capacity as well as builds the character of the students.

The College aims -

- ✓ To make quality education more accessible to the students.
- ✓ To inculcate team spirit and instill a sense of discipline and responsibility.
- ✓ To sensitize the students towards social concerns, gender issues, challenges pertinent to differently-abled people and economically weaker section of society
- ✓ To promote civic ecology practices on campus and beyond for a sustainable relationship between the human community and nature.
- ✓ To enrich the knowledge of the students with innovative ideas, concepts and debates
- ✓ To polish their multifaceted abilities and learning.
- ✓ To prepare the students to face the realities and challenges of the world.

4. INTERNAL QUALITY ASSURANCE CELL

The IQAC has contributed significantly for the Academic and Administrative Audit (AAA) to take into account the processes of teaching-learning in all disciplines and to institutionalize the quality in all academic and administrative matters of the College. Some of the measures taken in this regard are:

Devising strategies to improve the teaching-learning process through increased use of ICT, expanding the scope of the library, transforming it into a multivalent knowledge portal and signing MoUs with research institute to re-define the boundaries of meaningful and holistic education.

The implementation of academic calendar, focus on the syllabus to be taught, distribution of time-table, curriculum delivery, compliance as per the schedule, assigning of academic

responsibilities and internal committees' formulation for various department activities. All the achievements and activities are compiled in the form of departmental profiles.

The documents of internal assessment, policy for moderation of marks and analysis of the results of semester examinations are carefully examined as per audit process protocol.

A platform for engaging with students and addressing their concerns, regularly takes place via carefully designed teacher- student mentoring programs.

IQAC has implemented the feedbacks system from students based on institutional parameters such as infrastructure and facilities, curriculum delivery and pedagogy, discipline and environment, staff and support etc.

Faculty development programmes (paper presentation/participation in faculty development courses, publications, honours and distinctions) are also documented. IQAC has regularly convened meetings. It has submitted the AQARs to NAAC in time.

5. COURSES OFFERED

Believing that each student is special and has the potential to excel in many different ways, the college imparts instruction in different streams: Humanities (the students are offered a choice of 20 subjects in general and 10 subjects in Honours course), Science, Commerce, Bio-Technology, Business Administration, Computer Applications and Physical Education where B.P.Ed. is a 4-year course. The college has Post-Graduate courses in Chemistry, Commerce, English, Punjabi, Physical Education, History and Information Technology. There is research centre in Physical Education leading to Ph.D degree. Other departments like English, Sociology, Economics and Psychology too offer Ph.D. supervision.

6. INFRASTRUCTURE

Infrastructure is the foundation of every institute as it directly lays an impact on the performance of the students. Our college building which was originally designed by Maxwell enjoys a heritage status given by Chandigarh Administration. Utmost care is taken to preserve its heritage character. The sprawling campus is spread over an area of 45 acres with excellent infrastructure. The college has Girls common room, a Common Staff room, NSS room, NAAC Cell and well-equipped Examination branch. The Institute has Botanical, Herbal & Cosmic gardens. The space and layout of the lush green campus is dedicated to nurturing of young minds and nourishes an academic climate for teaching and research. There are separate teaching blocks for IT, B. Com, B.B.A. and Bio-Tech.

The institution has a sufficient number of well- furnished, well-lit, ventilated and spacious classrooms to accommodate all students, as per intake capacity of respective programs. Twenty-six classrooms are equipped with ICT facilities to facilitate the teachers to adopt various teaching methods for interactive learning. Institute has well equipped laboratories for the students to do practical demonstrations which enhance the learning process. Laboratories are regularly upgraded as per the requirement of the syllabus taught. The campus is fully Wi-Fi enabled for uninterrupted use of internet facilities for all. The computer department extends ICT facilities to the whole campus. Moreover, the campus is equipped with adequate seminar and conference halls, auditorium, hostels, playgrounds, a health center and Open-Air

Theater to facilitate and stimulate the overall growth and academic well-being of each student. The infrastructure provides easy access to differently abled students in terms of ramps and washrooms.

The facilities available for sports and cultural activities are more than adequate. Intensive training is imparted under the expert guidance of sports faculty and numerous sports activities are organized throughout the year. Sports equipment of standard quality is provided to the students to prevent injuries. The campus has a sports pavilion with seating capacity of 400 students. Our college is the only college in Tricity which has a cinder track of 400 meters. A flash back well fenced swimming pool is another attraction for students. This pool has its own filtration plant and separate changing rooms for boys and girls. The multipurpose gymnasium hall has a huge space which is used for indoor activities like badminton, wrestling, Judo and yoga. There are two grounds one for cricket and another for football. College infrastructure includes volleyball courts, basketball courts, one each for hockey, khokho and handball.

The cultural committee prepares the students for various competitive events of the youth festival. Giddha, Bhangra, Fine Arts and Dramatics are all presented at these competitions. College Annual Day and department wise activities are also conducted in the college to promote cultural activities. Sports and cultural activities play an integral part in all-round personality development of students. The campus has an auditorium to facilitate cultural activities with a seating capacity of 400. Auditorium is a central space for all types of formal assemblies. The students thus have ample amenities for cultivating their talents. Throughout the session the auditorium, seminar room and the lawns remain a buzz with activities of budding actors, creative writers, singers and speakers.

7. LIBRARY

The Library is the teaching-learning hub for the faculty and students. College library is well-equipped with the latest infrastructure, stocked with a good collection of books and periodicals. It is fully computerized, centrally air-conditioned, equipped with sixteen CCTV cameras and INFLIBNET database. It is very spacious with seating capacity of 220 students at a time. Library automation is extremely important in this age of technology. Due to immense growth in the different fields of knowledge, there is a need for access to the desired

literature. The college library is fully automated with LIBSYS software (Web Centric LSEase on cloud) along with Web OPAC and 18 desktop systems. Libsys is integrated library system software designed and developed to manage small and large library operations. Web OPAC (Online Public Access Catalogue) accessible with LAN, is installed in the library to ensure easy access to books. The Library also provides access to about 6000 plus e-journals and 31,00000 plus e-books through the N-List programme of INFLIBNET.

The Library has the subscription for online resources such as e-Journals, e- books, databases, etc. in addition to regular books, journals, magazines, newspapers etc. News clippings are being sent to the faculty by Email. Library maintains an online database of old question papers of graduate and post- graduate level through the college website to benefit its 192 affiliated colleges of Panjab University, Chandigarh. Separate almirah is there for Rare books in the library. It has a diverse collection of 1,09,731 books, 473 CDs of various disciplines, and twelve print journals. The library subscribes to 16 newspapers and 58 magazines and has a rich collection of reference texts such as encyclopaedia, dictionaries, atlas, and yearbooks. All the books in the library are bar-coded and are arranged according to DDC (Dewey Decimal Classification scheme). There is a Braille section for visually challenged students in the library with text to speech software. The main library is divided into different sections i.e Circulation Section, Textbook Section, Digital Corner Reference Section, Periodical Section with a spacious reading Room. Library has a Heritage furniture gallery of the Le-Corbusier Era. There is a book bank corner consisting of (approx. 6000 books) all donated /free books.

8. IT INFRASTRUCTURE

PGGC-11 has focused persistently on the development of IT infrastructure. College ensures an extensive use of ICT facilities by providing adequate access to computers and internet to its students and faculty. The College classrooms, computer labs and the offices are equipped with latest IT infrastructure i.e. Desktop Computers, all -in- one computers, printers and scanners etc. Computer labs have an adequate number of computers maintaining student to computer ratio 1:1 most of the time. There are eight computer laboratories equipped with desktops having the latest configuration systems as per requirements of the course curriculum. Over 250 computers were deployed across the Campus to give computing facilities to the students and faculty for hands-on practical sessions.

The college has successfully adopted an online admission management system, online examination and extended other technical support for faculty and students. Faculty prepares PowerPoint presentations and develops course material for assigned classes. The institution provides access to desktop systems and laptops to both faculty and students which allows them to use all ICT facilities for their academic projects. The institute has LED TV, Interactive smart boards, Antivirus and scanners. The College has two internet leased line connections (100 Mbps and 10 Mbps) which cater to the internet needs required for the online teaching. The campus building was updated with the latest Wi-Fi facilities in January 2021. Six Wi-Fi access points were deployed across the campus for enabling students and faculty to stay connected and access the academic content anywhere in the campus. The Wi-Fi devices are connected to switches on a different classroom, Computer labs, library, staff room and administrative area to cover all the parts of the campus. The college library is fully automated.

The committee room, seminar room and conference room are fully ICT enabled with the latest IT infrastructure. Biometric attendance system for staff is implemented across the campus. The IT department has trained manpower which helps in day to day maintenance of computers, peripherals, servers and network equipment. The college website is maintained and upgraded regularly. It has different portals with latest updates.

9. COLLEGE HOSTELS

Undoubtedly, the pride of the city beautiful, are its institutions, where Post Graduate Government College, Sector 11, Chandigarh is the numero uno. This oldest city college of Chandigarh provides three hostels for its students coming from length and breadth of the country and across seven seas. For boys, there are two hostels namely the Main Hostel within the college campus and the General Hostel in Sector 15B. For girl students, there is a hostel within the campus. All the hostels are spacious, green and offer a home away from home to its students. During pandemic the hostels were closed as per instruction of Government of India and Chandigarh Administration.

Every year, the Hostel committee of both boys and girls celebrate various festivals like Deepawali, Holi, Gurpurab, Eid and Christmas and there is festivity all around. In addition to this events such as Fresher's party and awareness seminars for girls and boys are regularly conducted.

10. ACTIVITIES UNDER RUSA

Coordinator: Dr J.P. Singh

- RUSA is a centrally sponsored, overarching holistic and comprehensive umbrella scheme for norm-based funding for the State Universities and Colleges to achieve the goals of expansion, equity and excellence with the aim of imparting relevant and value based education for improving employability.
- RUSA grant greatly enables the growth of the infrastructure of our institution. This institution was mainly built to cater 700 students but now it is hosting more than 5000 students.
- RUSA grant has helped us improve the facilities for the increasing student numbers to achieve academic excellence. This was mainly done by acquiring new instruments, equipments, girls common room and college renovations.
- Two Composter Bins were purchased out of RUSA Infrastructure Grant helped in making good quality Manure from the Wet Waste, dry leaves, etc.
- The purchase of new equipment out of RUSA Infrastructure Grant helped in providing better and latest Practical Laboratory Apparatus for the betterment of the Students.
- The Capacity Building Programmes conducted under the aegis of RUSA had very good impact on the development of faculty in various subject topics.
- The setup of Outdoor Gym in the Girls Hostel and College Sports Ground has provided a unique USP for maintaining healthy lifestyle for all the students and faculty of the college
- The renovation of washrooms has provided a very clean and hygiene facilities for the students.
- The renovation of Faculty Staff Room and Girls Common Room has been made a significant role in providing a professional environment to the students and faculty.

11. ACADEMIC PERFORMANCE

The college provides a liberal, lively and competitive environment enabling the students to craft their success, and our students are proving it year after year by bringing laurels to the college. In academics, 22 students will be awarded Roll of Honour. 1295 students of Postgraduate and Graduate streams will be awarded degrees on the occasion of 65th Convocation.

Sr. No.	Class	Degrees to be Awarded
1.	M.Sc Chemistry	44
2.	M.Com	34
3.	MA English	22
4.	MA History	29

13.	B.Com. General	41
14.	BBA	60
15.	BA Hons.	194
16.	BA General	343
Total		1295

12. CO-CURRICULAR ACTIVITIES

Extension Activities

The extension activities complement students' academic learning experience by adding to their knowledge and experience. The skill of comprehending things against a wider canvas and in the right perspective gets inculcated in them. Through the extension activities the students get in touch with the practical aspects of life. They learn teamwork, leadership skills, decision making etc while participating in these activities. The government college dramatic club (GCDC) regularly stages plays and 'Nukkad-Natak' on various burning issues like water conservation, violence against women and youth and drugs. Every department throughout the year organizes extension activities for students on days of national and international importance in their respective streams. The institution promotes students' services to the community through community outreach programmes held under the aegis of different societies like:

- ✓ ENVIRONMENT AWARENESS SOCIETY
- ✓ TRAFFIC AWARENESS AND ROAD SAFETY SOCIETY
- ✓ BEST OUT OF WASTE SOCIETY
- ✓ COMMUNITY HYGIENE AND SANITATION SOCIETY
- ✓ GENDER EQUITY SOCIETY AND SELF DEFENCE SOCIETY
- ✓ STRESS MANAGEMENT AND DRUG DE-ADDICTION SOCIETY
- ✓ AIDS AWARENESS AND PUBLIC HEALTH SOCIETY
- ✓ LITERARY SOCIETY
- ✓ SOCIETY TO PROMOTE HEALTH THROUGH PHYSICAL ACTIVITY
(SPHPA)
- ✓ BLOOD DONATION SOCIETY
- ✓ CULTURAL AND HERITAGE SOCIETY
- ✓ DRAMATICS SOCIETY

The institution enrolls students for its NSS unit who actively participate in various community outreach programmes at University, State and International Level. With the motto “Together We Can” NSS volunteers are ever ready to serve the deprived sections of the society. The college with its students and faculty members is always at the forefront in doing their best for the community.

NCC (AIR WING, ARMY WING, NAVAL WING)

Wing Commander (AIR WING): Dr. Rakesh Thakur

Wing Commander (ARMY WING): Dr. Paramjit Singh

Wing Commander (NAVAL WING): Dr. Madan Lal

The Heritage college of City Beautiful boasts of all three wings of NCC- Air Wing, Army Wing and Naval Wing. The motto of NCC: “UNITY AND DISCIPLINE” along with the motto of the college "Higher and still Higher" has inspired generations of young men and women to don the military attire to serve the nation. The college fosters among its cadets, through its NCC wings, qualities of character, courage, comradeship, discipline, leadership, secular outlook, and spirit of adventure, sportsmanship and the ideals of selfless service among the youth to make them useful citizens of the country. At another level, the mentors of Senior Division (SD)/ Senior Wing (SW) are motivated to create a human resource of organized, trained and motivated youth to provide leadership in all walks of life including the Armed Forces who will always be available for service to the nation. Over the years all the three wings of the NCC have won innumerable trophies at State and national level including

the best cadet trophy at the prestigious Republic Day Parade. Of these winners many have gone on to attend Youth Exchange Programme (YEP) to distant shores. Outstanding cadets attend the challenging Vayusainik, Thalsainik & Nausainik Camps. All the three wings have continuously won the Annual Training Camp (ATC) since last several years. The college encourages new entrants to join the three wings of NCC and carry the glorious tradition ahead.

Madan Lal Yadav, Assistant Professor, Geography successfully completed PRCN (Pre Commission) Training course with 'A' grade for ANO (Associate NCC Officer) at Officers Training Academy (OTA) Kamptee , Nagpur Maharashtra for 3 months rigorous training and commissioned as Sub Lieutenant in NCC Naval Wing.

It is the matter of pride for all of us, that NCC cadets from our college participated at the prestigious RDC camp in New Delhi on January 26, 2023. The cadets from the three wings of air /naval and army are as follow;

NCC Air Wing Cadets under the mentorship of Dr. Rakesh Thakur are:

1. Aditya Sharma
2. Tanu Priya
3. Prashant Kulhar

NCC Naval Cadets who participated in RDC at Delhi under the mentorship of Lt. Madan Lal are:

1. Cadet Sonam
2. Cadet Rachit
3. Cadet Divanshu

Army Wing Cadets under the mentorship of Dr Paramjeet Singh are:

1. Sagar Sil
2. Himanshu
3. Parth Chauhan

More than 50 cadets from the three wings of NCC participated at RD parade at sector 17 ground Chandigarh. This is truly a proud moment for us as the RDC parade is the most prestigious parade in the country.

LCC Kartik Joshi Naval wing attended International Camp ODS (Overseas Deployment) 2022. He also attended National camps- AIYR 2021 held at IND Chilka. All India Special Yatching Training Camp held at Bhopal.

NSS

- ✓ Awareness Programme for Fire Safety on 17.04.2023
- ✓ State Level Blood Donation Camp by State NSS CELL, Chandigarh 12/01/2023
- ✓ Blood Donation Camp in the College Auditorium 14/02/2023
- ✓ Republic Day Celebration, 26/01/2023
- ✓ Paying Homage on Martyr's Day (30.01.2023)
- ✓ Observance of 2 minutes Silence and Pledge for Peace and Communal Harmony (30.01.2023)
- ✓ Lecture & Demonstration for the Fire Safety, 02/02/2023
- ✓ 23rd Rashtriya Katha Shivir, Village Pransla, Rajkot, Gujarat, from 11/02/2023 to 21/02/2023
- ✓ Pledge against Drug Abuse in Collaboration with VADA Club & Stress Management & Drug De-addiction Society – 13/02/2023
- ✓ National Integration Camp at Punjabi University, Patiala 16/02/2023 to 22/02/2023

13. DAYS CELEBRATED

PGGC-11 continues the rich tradition of celebrating National / International days of eminence and significance year after year. The college celebrated 75 years of independence, Azadi ka Amrut Mahotsav, starting from 12th of March 2021. Different departments of the college organized different types of events throughout the year, viz, seminars, lectures, webinars, presentations, poster making competitions, Rangoli making competition, poetry recitation, essay writing, plays, patriotic songs, creative writing, quiz, face painting, yoga , cycle rallies, walkathon , one minute video making competition , constitution day. Through these events the students and faculty revisited the time of struggle for freedom from the colonial masters. All the events had full and eager participation from students and faculty members of the college.

The staff and students of the college celebrate important days by organizing several activities, functions and events, befitting the significance of the day.

1. World No Tobacco Day.
2. World Environment Day.
3. No Plastic Day (International Plastic Bag Free Day).
4. International Yoga Day.

- Reintroduction of Cheetah on 2.10.2022 -08.10.2022.
- Anti-Cracker-Green Diwali on 18.10.2022.
- World Toilet Day: Power Point Presentation on 19.11.2022.
- In the month of January Skill Promotional activities were organised.
- Visit of Sukhana Wetland to celebrate World wetland Day on 02.02.2023.
- Self-Help Group: Day Long Students campus Bazaar on 20.02.2023.
- World Forest day: Painting competition on the theme Forest and Health on 21.03.2023.
- World Water Day: Poster making on the theme: Accelerating the change to solve water and sanitation crisis on 22.03.2023.

Society to Promote Health Through Physical Activity (SPHPA)

In-Charge: Dr. Mahender Singh

- Celebration of National Sports Day on 29.09.2022.
- Mass Surya Namaskar Demonstration on 15th February 2023.
- Interclass Basketball Competition on 17.02.2023.

16. OTHER CELLS AND UNITS

Career Counselling and Placement Cell

In-charge: Dr. Rakesh Thakur

The Career Counselling and Placement Cell of the college is a sustained counselling platform to equip and enable the students to face future challenges. It is involved in providing career inputs, updating students about various career options, assisting the student community about the various courses and options available to them in the armed forces, different state and union public service commissions, in different institutes in the country, both government and non-government.

Anti-Ragging Cell

In-charge: Mr. Rajal Kapoor

Anti-Ragging Cell of the college is working actively to generate awareness among the students regarding the damaging consequences of ragging. In the Orientation Programme, the students were made aware of Supreme Court Ruling against ragging as a Criminal offence. Signages at strategic points in the college campus were also put up to check ragging. An Anti-ragging undertaking is signed by the students seeking admission to the college.

Prevention from Sexual Harassment Committee

In-charge: Prof. Renu Trikha

There is an anti-sexual harassment committee to look into the matters dealing with any kind of harassment within the campus premises.

Blood Donation

In-charge: Dr. Paramjit Singh

Blood donation society of the college organizes blood donation camps regularly in the college. Students are made aware about the importance of donating blood. Both students and members of the faculty come forward in large numbers to donate blood.

Tutorial Groups

In-charge: Dr. M L Sharma

Giving due importance to the teacher taught relationship, college students are divided into 88 tutorial groups. The tutorial group meetings are held periodically. Each of these groups is attached to one faculty member who is the mentor of the respective group. The aim of these meetings is to have personal interaction with each student of the college. The students are encouraged to open up and share their feelings and problems which can include anything varying from personal, academic or peer pressure faced by the students within and outside the campus. The agendas for the meetings are prepared in consultation with the Principal of the college. The inputs are also taken from the Registrar of Examination, in-charges of sports and other extracurricular activities. The attendance of the students is reported to the administrative office of the college.

Public Relations and Media Wing

In-charge: Ms Gitanjali Kalra

Any institution which intends to communicate its aims and achievements to the larger public needs to build on its public relations. The dedicated and zealous team of the public relations and media wing of the college facilitates wide coverage of all the functions and activities of the college, throughout the session in both print and electronic media. Through its meticulous work, the media wing has been successful in highlighting the image of the college in the local media consistently.

Alumni Association

In-Charge: Dr. Gurmail Singh

The Alumni Association of the college is the supporting wing of the institute in all the endeavors of the college. Be it the pursuit of the general mission and vision or adding value to the college's goals and objectives – the institute always receives support from the Alumni Association. The registered Association has a long list of illustrious and prominent alumni

many of whom have dedicated their lives to service through various roles in community and are making tremendous contribution to society in different fields of administrative services, education, judiciary, business and industry.

Roshani ki Aur

In-Charge: Dr. Manish Kumar

“Roshani ki Aur” is a society that organises activities for specially abled students of the college. It also organizes various sports and cultural activities to encourage and motivate the students.

Head of the Department: Dr. Jagdish Kaur

- Teachers Day on September 5, 2022.
- Fine Art Competition on September 21, 2022.
- Seminar on Career Options on October 14, 2022.
- Educational Trip to PGI Chandigarh on November 3, 2022.
- Lecture on “Process of Innovation Development Technology Readiness Level Commercialization of Lab Technologies &Tech-Transfer” was organized on February 20,2023.
- Street play on AIDS awareness on February 07, 2023.

Department of Biotechnology

Head of the Department: Dr. Jagdish Kaur

- Teachers Day on September 5, 2022.
- Fine Art Competition on September 21, 2022.
- Seminar on Career Options on October 14, 2022.
- Educational Trip to PGI Chandigarh on November 3, 2022.

- Lecture on “Process of Innovation Development Technology Readiness Level Commercialization of Lab Technologies &Tech-Transfer” was organized on February 20,2023.
- Street play on AIDS awareness on February 07, 2023.

Department of Computer Science

Head of Department: Dr. Baljeet Singh

- Seminar on Career Orientation by Ms. Arpana Grover, Director, InfoMaths Institute, Chandigarh on 11 Nov, 2022.
- Inter Department Fest “BizzTech” on 16 Nov, 2022.
- Organised Poster Making and Collage Making Competition on 13th Feb, 2023.
- Organised Online Computer General Knowledge Quiz, 17th February 2023.

Department of Defence & Strategic Studies

Head of the Department: Dr. Sanjeev Kumar

- Fire safety Awareness week was conducted on 17.04.2023.
- Poster Making Activity was conducted on 29.03.2023.
- Slogan Writing, Declamation, Quiz, Debate, Talk and rally was organized as part of G-20 Activities on 31.03.2023.
- An Essay writing competition was organised on 17.02.2023.

- Ravidas Jyanti Celebration -- Doha -Lekhan Competition on 7 February 2023.

Department of Physics

Head of the Department: Dr. J.P. Singh

- Poster making competition on 28-2-2023
- Extempore on 28-2-2023
- Digital Photography Competition on 28-2-2023

Department of Physical Education–Teachers Education and Learning

Head of the Department: Dr. Mahender Singh

- Parent Teacher Meeting on April 8, 2023
- Annual Athletic Meet on March 16-17, 2023
- Interclass Futsal Competition on March 13-15, 2023
- Interclass Volleyball Competition on March 13-14, 2023
- Interclass Collage Making Competition on March 13, 2023
- Interclass Rangoli Making Competition on March 14, 2023
- Interclass Quiz Competition on March 15, 2023
- Interclass Basketball Tournament on February 17, 2023
- Mass Suryanamaskar on February 13, 2023
- International Seminar on Health and Wellness through Yoga on December 18, 2022
- PU Intercollegiate Yoga (M&W) Tournament on October 19-20, 2022
- PU Intercollegiate Football (W) Tournament on October 26-30, 2022
- Volleyball Intramural Competition on October 1, 2022
- Inauguration Intramural Competition on September 10, 2022
- Teachers Day Celebration on September 5, 2022
- Celebration of National Sports Day on August 29, 2022
- Celebration of International Day of Yoga on June 21, 2022

Department of Professional Studies

Head of the Department: Dr. M.L. Sharma

- Seminar on Opportunities for Higher Education Abroad on 08 September, 2022
- Seminar on Career Prospects by Infomaths on 08 October, 2022:
- Talent hunt was organized on November 11, 2022 by the department.

- Organised Talk on Cyber Security: Issues, Challenges and Precaution on 12th, November 2022.
- Organised Bizz Tech 2022 on 16th November, 2022.
- Conducted Seminar on Resume Writing and profile building on 9th Feb.2023
- Organised Poster Making and Collage Making Competition on 13th Feb, 2023.
- Organised Online Computer General Knowledge Quiz, 17th February 2023.
- Organised an inter college Management and IT Fest on 15th March, 2023 in the college.

Department of Psychology

Head of the Department: Dr. Suresh Kumar

- Organised Awareness Programme in Fire Safety for the Growth of National Infrastructure (AGNI) on 17.04.2023.
- Organised a Rally to Create Awareness about G-20 on 31.03.2023.
- Organised Activities under 2nd Agriculture Deputies for Agriculture Working Group of the G20 Summit on 28.03.2023 to 31.03.2023
- Organised a Bollywood Day on 17.03.2023.
- Organised a Rally on G20 Goals on 01.03.2023.
- Organised a Zeitgeist Screening and Creativity Challenge on 27.02.2023.
- Art Therapy week was organised from 12.02.2023 to 19.02.2023.
- Talent Hunt was organised on 07.02.2023 and 08.02.2023

Department of Public Administration

Head of the Department: Dr Sonia Kumar

18. STAFF ACHIEVEMENTS

Dr. Vijaya Singh, Department of English

Supervised the research of two research scholars who were recently awarded with degree:

- Jaydev Bishnoi: Fiction of development: A study of displacement, disaster and dispossession in selected Indian novels. Department of English and Cultural Studies, Panjab University, Chandigarh. (17.02.2023)
- Amandeep Kaur: Image, music performance and the literary text: A study of the cinematic object in Mani Kaul. Department of English and Cultural Studies, Panjab University, Chandigarh. (14/03/2023)
- Books published: पार्क में हाथी (सेतु प्रकाशन, नॉएडा: २०२३)

Dr. Ishita, Department of Economics

- Article in book named ‘Water Security in Asia’ in Springer, New York. ISBN 978-3-319-54612-4

Dr. Rajkumar Herojeet, Department of Environmental Studies

- Paper Published: Rajkumar H, Naik PK, Singh G, Rishi M (2022) A comprehensive water quality index based on analytical hierarchy process, *Ecological Indicators*. 145. <https://doi.org/10.1016/j.ecolind.2022.109582>

Mr. Madan Lal, Department of Geography

- Successfully completed PRCN (Pre Commission) training course for 3 months with 'A' grade for ANO (Associate NCC officer) at Officers Training Academy(OTA), Kamptee, Nagpur, Maharashtra and commissioned as S/LIEUTENANT in NCC Naval wing.
- Successfully completed Orientation course (Faculty Induction Programme) at P.U., Chandigarh with 'A' Grade

Dr. Isha Kaushik, Department of Geography

- Published two papers in Scopus index Journals.

Dr. Poonam, Department of Hindi

- Presented a paper in one-day National Seminar on the topic 'कौटिल्य-अर्थशास्त्र की आज के संदर्भ में प्रासंगिकता' organized by Department of History PGGC-11, Chandigarh on 16.02.2023.

Dr. Benudhar Patra, Department of History

- Attended and presented papers in two National Seminars.
- Published one book and 3 papers.
- Organised a National Seminar as Convenor.
- Presided a session of a National Seminar in GGSDS college, Sector -32.
- Board of Study member (PG, History), Panjab University, Chandigarh.
- Visited different colleges of Panjab University for affiliation and as member of selection committee for recruitment of faculty.
- Organised 3 extension lectures for colleagues and students.

Dr Baljeet Singh, Department of Mathematics

- Singh, B. On Rayleigh-type surface wave in incompressible nematic elastomers. Acta Mech 234, 1033–1044 (2023). <https://doi.org/10.1007/s00707-022-03423-z>

- Organised a Talk on G-20 Agriculture working meet on 31.03.2023.
- Organised Fire Safety Awareness Program on 17.04.2023 in College.

Dr. Suresh Chander, Department of Philosophy

- Presented a paper in National Convention, dated on 26/12/2022 to 28/12/2022 at Sasaram, Bihar on "Relevance of Karma in Bhagavad Gita"
- Presented a paper in National Seminar, dated on 16/02/2023 at PGGC, Sector-11, Chandigarh on "Philosophical Relevance of Kautilya's Artha Shastra"

Dr. Ajit Singh, Department of Physical Education –Teachers Education and Learning

- Participated in All India Civil Services Tennis Championship held at Panchkula, Haryana.
- Elected as Vice-President of Panjab University Sports Council.
- Member of P.G. Board of Studies in Department of Physical Education, Panjab University, Chandigarh.

Dr. Shaveta Gupta, Department of Professional Studies

- Awarded Ph.D. Degree on March 24, 2022, from Panjab Technical University, Kapurthla.

Dr. Kanupriya, Department of Professional Studies

- Awarded Ph.D. Degree in March 2023 from IK Gujral Punjab Technical University.

Mr. Gaurav Dutt, Department of Professional Studies

- Qualified UGC-NET examination

Dr. Jagdish Kaur, Department of Zoology

- Published a paper entitled: Physicochemical characteristics of habitats in relation to density of container-breeding mosquitoes in Chandigarh, India. J.ent. Res, 46(4): 848-852(2022)
- Presented a paper: Physicochemical analysis of pond water of Mandhala & Soorajmajra village (Solan, HP) in one-day national conference on 15/02/2023 at BAM Khalsa College, Garhshankar, Punjab
- Presented a paper: Mosquito breeding places in the city beautiful – A challenge to the human health in two-day international seminar on 17-18/2/2023 at GGSCW, Sector 26, Chandigarh.
- Participated in one-day International Seminar “To evaluate the place of nutrition in yoga” on 18/12/ 2023 at PGGC, Sector 11, Chandigarh

19. COLLEGE OFFICE

The office staff of the college is fully dedicated to their duties. They work hard throughout the year for the smooth functioning of the college work. Ms. Surjit Singh, Superintendent looks after the Accounts branch and Establishment branch.

20. SBI BRANCH

Branch Manager: Ms. Asha Berwal

There is a full-fledged SBI branch in the college campus. An ATM has been installed by the bank in the college premises for facilitating transactions both for the faculty as well as the

students. The branch provides the facility of Saving Bank account, education loans, home loans, car loans and also various kinds of investments, all under one roof. Students are made aware of the use of various alternate channels for banking such as YONO, Internet Banking and Mobile banking as per the Green India Initiative of the Government of India. Branch also provides Green Channel Counters for hassle free transactions for students as well as faculty. SBI also sponsored various activities of the College such as Blood Donation Camp, Tree plantation etc.

21. HEALTH CENTRE

The college has a well-equipped Health and Physiotherapy Centre. Established in 2005, it works actively to provide first aid and medical care as and when required to the students and the staff. The in-house Physiotherapist and nurse are available during college working hours. Thirty to Forty patients report daily in the health centre and are provided consultation along with medicines for various ailments ranging from simple injury to various seasonal diseases.

- Height, Weight measurement facility is provided to the students.
- Blood group testing, Haemoglobin and blood sugar level testing facilities have been started.
- Physiotherapy for sports injuries is given by the physiotherapist.
- Steam Inhalation and Nebulisation for patients suffering from cold and cough.
- Hand sanitizers are made available in the places having more footfalls.

Lastly, I acknowledge the guidance and support of Chandigarh Administration which has been helping us in bringing about major improvements in the infrastructural facilities of our institute. I congratulate all degree holders, teachers and parents and express my thanks to teaching and non-teaching staff of the college for their wholehearted co-operation in the smooth functioning of the College.

**Thank You
Dated : 21/04/2023**

**Principal
Dr. Sangam Kapoor**
